The Finance Accounts of the Government for the year showing the financial position along with the accounts of receipts and disbursements of the Government for the year presented in separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Arunachal Pradesh and the statements received from the Reserve Bank of India.

The treasuries, offices and/or departments functioning under the control of the Government of Arunachal Pradesh are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General. The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31 March 2013 compared with the sums specified in the schedules appended to the Appropriation Act passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts, as well as test audit conducted during the year or earlier years, are contained in my Reports on the Government of Arunachal Pradesh being presented separately for the year ended 31 March 2013.

Creation of total provision of ` 59,97.54 lakh under the Capital Section of the grant spread over the heads at serial numbers (i) to (iv), (vi) to (xiii), (xv) and (xvi) was stated to be due to requirement of more funds towards Major Works.

Creation of such provision is permitted subject to the observation of prescribed procedure in respect of New Service/New Instrument of Service Rules and prior report to the legislature.

It has become a regular feature under this grant to make provision of large funds through re-appropriation instead of making provisions of funds in Budget Estimates as evident in the preceding two years, i.e. 2010-2011 and 2011-2012 when provisions of ` 42,09.52 lakh and ` 29,12.94 lakh were made through re-appropriation.

Final savings at serial number (iii), (vi) to (viii), (xi), (xiv) to (xvi) were stated to be due to non-completion of physical work by March 2013.

Reduction in provision through surrender from Salaries was made without assigning any reason.

Saving was stated to be mainly due to temporary vacancy of posts.

**GRANT NO. 57 URBAN DEVELOPMENT-Contd.****Capital:**

**57.2.1** As the overall expenditure of ` 96,02.99 lakh did not come even up to the original provision of ` 1,33,70.80 lakh, supplementary provision of ` 78,62.46 lakh obtained in March 2013 was unnecessary.

**57.2.2** No part of the available saving of ` 1,16,30.27 lakh (54.77 per cent of the total provision) was anticipated for surrender during the year.

**57.2.3** Saving of substantial provision has become a regular feature under this Capital-Voted Section of the grant as evident from the following Table:

Augmentation of provision through re-appropriation was the net effect of increase of ` 23,28.84 lakh stated to be due to requirement of more funds mainly towards Grants-in-aid and Other Charges and decrease of ` 5,53.28 lakh stated to be due to less requirement of funds under Major Works.

While furnishing the explanation for the huge saving, the Department stated that the total provision under this head should be ` 1,58,98.90 lakh as per budgetary support and State Plan allocation. The Department brought this fact to the notice of the Finance Department vide Letter No. DUD/ACCTT-297/2012-13/(A)/2663 dated 16 July 2013. However, saving was stated to be mainly due to non-utilisation of funds received as Additional Central Assistance earmarked for specific activities under JNNURM and Special Plan Assistance allocation for want of administrative approval and expenditure sanction from the Government.
