## **Certificate of the Comptroller and Auditor General of India**

This compilation containing the Finance Accounts of the Government of Mizoram for the year ending 31 March 2017 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume I contains the consolidated position of the state of finances and Volume II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Mizoram and the statements received from the Reserve Bank of India. Statements (Nos. 8 and 9 of Volume I and 19 and 20 of Volume II ), explanatory notes under Statement (Nos. 14 and 15), Annexure to Statement No. 17 b (i), (ii), c (i) and appendices (III, IV, IX, XI and XII) in this compilation have been prepared directly from the information received from the Government of Mizoram/ Corporations/ Companies/ Societies who are responsible to ensure the correctness of such information.

The treasuries, offices and/or departments functioning under the control of the Government of Mizoram are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the Accounts Wing of the Office of the Accountant General. The audit of these accounts is independently conducted through the Audit Wing of the Office of the Accountant General in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory ‘Notes to Accounts’ give a true and fair view of the financial position, and the receipts and disbursements of the Government of Mizoram for the year 2016-17.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Mizoram being presented separately for the year ended 31 March 2017.

## **Guide to the Finance Accounts**

### **A. Broad overview of the structure of Government accounts**

1. The Finance Accounts of the State of Mizoram present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

### **2. The Accounts of the Government are kept in three parts:**

**Part I: Consolidated Fund:** This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt Loans and Advances). These are further categorised under ‘Receipts’ and ‘Expenditure’. The Revenue Receipts section is divided into three sectors, *viz.*, ‘Tax Revenue’, ‘Non-Tax Revenue’ and ‘Grants-in-aid and Contributions’. These three sectors are further divided into sub-sectors like ‘Taxes on Income and Expenditure’, ‘Fiscal Services’ etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, *viz.*, ‘General Services’, ‘Social Services’, ‘Economic Services’ and ‘Grants-in-Aid and Contributions’. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, ‘Organs of State’, ‘Education, Sports, Art and Culture’ etc. The Capital Expenditure section is sub-divided into seven sectors, *viz.*, ‘General Services’, ‘Social Services’, ‘Economic Services’, ‘Public Debt’, ‘Loans and Advances’, ‘Inter-State Settlement’ and ‘Transfer to Contingency Fund’.

**Part II: Contingency Fund:** This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Mizoram for 2016-17 is ₹ 10 Lakh.

**Part III: Public Account:** All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, *viz.*, ‘Small Savings, Provident Funds etc.’, ‘Reserve Funds’, ‘Deposit and Advances’, ‘Suspense and Miscellaneous’, ‘Remittances’, and ‘Cash Balance’. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, *viz.*, Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programmes / activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected up to March 2017).

0020 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt, Loans and Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions up to the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

**D. Periodical adjustments and Book adjustments:**

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipt/loans/Public Account. Similarly ‘nil’ bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition to the above, the Accountant General/Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

- (1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund etc.
- (2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.
- (3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme, where interest is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-State Provident Fund and Major Head 8011-Insurance and Pension Fund.
- (4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075 - Misc. General Services by contra entry in the Major Head 6004 - Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

**E. Rounding :** Difference of ₹ 0.01 lakh/crore wherever occurring is due to rounding.

**EXPLANATORY NOTES**

The opening and closing balance include ₹ (-)1,25.39 crore representing cash balance of the Union Territory Government merged in the general cash balance of the Central Government. Final decision regarding treatment of amount is awaited from the Government of India (August 2017).

**II. Daily Cash Balance:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 0.20 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance [\*] for the purpose of grant of Ways and Means Advances/Overdraft, the RBI evaluates the holdings of the 14 days treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 days treasury bills maturing on that day, RBI rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/ Over Draft.

**III.** The limit for ordinary ways and means advances to the State Government was ₹ 55.00 crore with effect from 1-04-2006 The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of special ways and means advances revised by the Bank from time to time. The extent to which the Government maintained the minimum cash balance with the Reserve Bank during 2016-17 is given below:

(i)	Number of days on which the minimum balance was maintained without taking any advance	365 days
(ii)	Number of days on which the minimum balance was maintained by taking ordinary ways and means advance	...
(iii)	Number of days on which the minimum balance was maintained by taking special ways and means advances	...
(iv)	Number of days on which there was shortfall in minimum balance even after taking the above advances, but no overdraft was taken	...
(v)	Number of days on which overdrafts were taken	...

**13 SUMMARY OF BALANCES  
CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT**

**EXPLANATORY NOTES**

(a) There was a difference between the figures reflected in the accounts and that intimated by the Reserve Bank of India regarding “Deposits with Reserve Bank” included in the Cash Balance. The discrepancy is under reconciliation.

**B. Government Account :** Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called “Government Account”. The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

*It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.*

The net amount at the debit of Government Account at the end of the year has been arrived at as under :

Debit (₹ in crore)	Details	Credit (₹ in crore)
74,84.41	A- Amount at the Debit of the Government Account as on 1 April 2016	
62,30.34	B-Receipt Heads (Revenue Account)	73,98.30

	E-Expenditure Heads (Capital Account)	
	F-Suspense and Miscellaneous (Miscellaneous Government Accounts)

<b>1,46,26.16</b>	<b>Total</b>	<b>1,46,26.16</b>

(i) In a number of cases there are unreconciled differences in the closing balance as reported in the statement of ‘Receipts, Disbursements and Contingency fund and Public Account’ (Statement No 21) and that shown in separate Registers or other record maintained in the Account office/ Departmental offices for the purpose. Steps are being taken to settle the discrepancies.

(ii) The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.

## Notes to Accounts

### **1. Summary of significant Account policies:**

#### **(i) Entity and Accounting Period:**

These accounts present the transactions of the Government of Mizoram for the period from 1 April 2016 to 31 March 2017. The accounts of receipts and expenditure of Government of Mizoram have been compiled from the initial accounts rendered by 11 Treasuries, 3 Resident Commissioners, 70 Public Works and 35 Forest Divisions and Advices of the Reserve Bank of India. The delay in submission of the monthly accounts ranged between 1 to 18 days by account rendering units. Such delays have affected timely submission of the Monthly Civil Accounts to the State Government. However, no accounts were excluded at the end of the year.

#### **(ii) Basis of Accounting:**

The accounts represent the actual receipts and disbursement during the accounting period, with the exception of some book adjustments (**Annexure A**). Physical Assets and Financial Assets such as investments etc., are shown at historical cost, i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortised. Losses in physical assets at the end of their life have not been expensed or recognised.

Retirement benefits disbursed during the accounting period have been reflected in the accounts but the future pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

#### **(iii) Currency in which Accounts are kept:**

The accounts of Government of Mizoram are maintained in Indian Rupees.

#### **(iv) Form of Accounts:**

Under Article 150 of the Constitution of India, the accounts of the Union and of the States are kept in such form as the President may on the advice of the Comptroller and Auditor General of India, prescribe. The word “form” used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

### **2. Quality of Accounts:**

#### **(i) Booking under Minor Head “800 Other Receipts and Other Expenditure”:**

Minor Heads 800 ‘Other Receipts’ and ‘Other Expenditure’ are intended to be operated only when the appropriate Minor head under the Major Head have not been provided in the accounts. Routine operation of Minor Head 800 is to be discouraged, since it renders the accounts opaque. During the year 2016-17, an amount of ₹ 1,535.78 crore under 43 Revenue Major Heads of accounts on the Receipt side constituting 20.76 *per cent* of the total Revenue of ₹ 7,398.30 crore was recorded under the Minor Head 800 ‘Other Receipts’. Similarly, ₹ 1,221.84 crore under 47 Revenue and Capital Major Heads of accounts on the expenditure side constituting 17.11 *per cent* of the total expenditure ₹ 7,141.75 crore (Revenue

and Capital) was recorded under the Major Head 800 ‘Other Expenditure’ below the concerned Major Heads. Instances of substantial proportion (*10 per cent* and above) of bookings made under the Minor Head 800 Other Receipts/Other Expenditure under the respective Major Head are given in **Annexure B and C** respectively.

**(ii) Unadjusted Abstract Contingent (AC) Bills:**

Drawing and Disbursing Officers are authorised to draw sums of money by preparing Abstract Contingent (AC) bills by debiting service heads. They are required to present Detailed Contingent (DC) Bills containing vouchers in support of final expenditure within one month of the drawal of AC bills. Prolonged non-submission of DC bills renders the expenditure under AC bills opaque. Details of AC bills outstanding as on 31 March 2017 are as given below:

**Table No. 1 : Status of AC Bills Outstanding**

<b>Year</b>	<b>Number of pending DC bills</b>	<b>Amount (₹ in crore)</b>
Up to 2014-15	60	17.89
2015-16	01	5.58
2016-17	01	0.97
<b>Total</b>	<b>62</b>	<b>24.44</b>

Out of ₹ 141.61 crore drawn against AC bills in 2016-17, AC bills amounting to ₹ 0.40 crore (*0.28 per cent*) were drawn in March 2017. It is observed that compared to last year, drawal of AC bill in March 2017 is reduced by an amount of ₹ 9.76 crore.

**(iii) Outstanding Utilisation Certificates (UCs) :**

Institutions receiving Grants-in-Aid from Government of Mizoram are required to furnish Utilisation Certificates within 12 months, countersigned by the controlling authority after verification. To the extent of non-receipt of Utilisation Certificates, the expenditure shown in the accounts cannot be treated as final nor can it be confirmed that the amount has been expended/utilised for the intended purposes of sanction. At the close of March 2017 accounts, 27 Utilisation Certificates for the two years amounting to ₹ 63.17 crore remained outstanding (₹ 35.40 crore for 2011-12 and ₹ 27.77 crore for 2015-16).

**(iv) Reconciliation of Receipts and Expenditure:**

To exercise effective control of expenditure, to keep it within the budget grants and to ensure accuracy of their accounts, all Chief Controlling Officers (CCOs)/ Controlling Officers (COs) are required to reconcile the Receipts and Expenditure recorded in their books every month with the figures accounted for by the Accountant General. Such reconciliation has been completed for *43.11 per cent* of total receipts and *81.78 per cent* of total expenditure during 2016-17.

**(v) Cash Balance:**

There is a difference of ₹ 66.59 crore (net credit) as on 31 March 2017 between the Cash Balance as worked out by the Accountant General and as reported by the Reserve Bank of India. This difference was mainly due to erroneous reporting by the accredited banks to the Reserve Bank of India, Nagpur which was responsible for maintaining the Cash Balance of the State Government.

### **3. Other Items:**

#### **(i) Liabilities towards pensionary Benefits:**

The expenditure during the year on pension and other retirement benefits on State Government employees recruited on or before 31 August 2010 was ₹ 747.52 crore (12 *per cent* of the total revenue expenditure of ₹ 6,230.34 crore). State Government employees recruited on or after 1 September 2010 are covered under the ‘New Pension Scheme (NPS), which is Defined Contributory Pension Scheme. In terms of the Scheme, employees contribute 10 *per cent* of basic pay and dearness allowance, which is matched by the State Government and the entire amount is transferred to the designated Fund Manager through the National Securities Depository Limited (NSDL)/Trustee Bank. As per the procedure adopted by the Government of Mizoram, the employees’ contribution is initially credited to ‘MH 0071- Contribution Recoveries towards Pension and Other Retirement Benefits’ and thereafter transferred along with the employer’s contribution to a Current Bank account opened for this purpose, for eventual transfer to NSDL. The Current Bank account is jointly maintained by Chief Controller of Accounts and the Joint Director, Accounts and Treasuries. Details of transactions in the Current Bank Account do not constitute part of the accounts rendered to the Accountant General. Hence timely transfer of these balance to NSDL cannot be confirmed.

During the year 2016-17, employee’s contribution was ₹ 14.59 crore and the State Government contributed ₹ 13.88 crore. Out of the total contribution of ₹ 28.47 crore, State Government transferred ₹ 27.76 crore to NSDL (₹ 13.88 crore as employee’s contribution and ₹ 13.88 crore as State’s matching share including ₹ 0.23 crore of un-transferred employee’s contribution and ₹ 0.23 crore of un-transferred State Government’s matching share for the year 2015-16). The balance amount of ₹ 0.94 crore being the employee’s contribution for the year 2016-17 was not transferred to NSDL as on 31 March 2017. Un-collected, un-matched and un-transferred amount, with accrued interest represent outstanding liabilities under the scheme and have not been estimated.

#### **(ii) Guarantees:**

The State Government extends guarantees on the loans taken from financial institutions by State Government entities like Public Sector undertaking etc. Guarantees reported in Statements 9 and 20 are based on information received from the Finance Department, which is the authority for issuing such guarantees. In terms of the Mizoram Ceiling on Government Guarantees Act, 2011, the total outstanding Government guarantees as on the first day of April shall not exceed 25 *per cent* of the Gross State Domestic Product (GSDP) estimated for the year and total fresh guarantees given in a year shall not exceed 3 *per cent* of (GSDP) estimated for the year. The outstanding guarantees as on 1 April 2016 (₹ 100.22 crore) work out to 0.66 *per cent* of the GSDP estimated for the year 2016-17 (₹ 15,211.93 crore). During the year, fresh guarantees for ₹ 30.00 crore were given by the State Government which works out to 0.20 *per cent* of GSDP.

As per the Act, the State Government should charge a minimum of 0.75 *per cent* of the guaranteed amount as guarantee commission which shall form the corpus of Guarantee Redemption Fund. Guarantee Commission shall not be waived under any circumstances. During 2016-17, a total amount of ₹ 0.13 crore was collected as guarantee fee by the State Government on the fresh guarantees of ₹ 30.00 crore against recoverable amount of ₹ 0.23 crore (₹ 30.00 crore x 0.75 *per cent*). Thus there was a short collection of revenue by ₹ 0.10 crore (₹ 0.23 crore minus ₹ 0.13 crore).

**(iii) Loans and Advances:**

Details of Loans and advances made by the State Government as per Statements 7 and 18 of the Finance Accounts have been prepared as per the Indian Government Accounting Standards (IGAS) 3 notified by the Government of India. The information is incomplete, since the State Government has not furnished the detailed information like arrears in repayments and loans in perpetuity. in respect of Loans and Advances where the accounts are maintained by the State Government.

**(iv) Investments:**

Information on Government investment appearing in Statement No.8 and 19 of the Finance Accounts are based on the accounts and sanction received by the Accountant General. As on 31 March 2017, the total investment of the State Government in Public Sector Undertakings and Co-operatives was ₹ 34.73 crore. These figures required confirmation by the concerned Department (including Finance) and the concerned entity. During the year 2016-17, the State Government had invested ₹ 1.34 crore in other Co-operatives.

**(v) Reserve Fund and Deposits:**

There are 5 Reserve Funds earmarked for specific purposes, out of which 2 funds have been inactive for 6 years and 15 years respectively. The total accumulated balance at the end of 31 March 2017 in these five funds was ₹ 246.27 crore (₹ 239.75 crore in active funds and ₹ 6.52 crore in inactive funds), out of which ₹ 244.54 crore (99.30 *per cent*) was invested. Details of inactive funds are given in **Annexure D**. Detailed information on Reserve Funds and the investment from the earmarked funds is available in Statements 21 & 22 respectively.

**(a) Adjustment of Interest against Reserve Fund and deposits bearing interest:**

The interest liabilities in respect of Reserve Funds Bearing Interest and Deposits Bearing Interest under sectors J and K respectively of the Public Accounts are annual liabilities that the State Government is required to discharge. No Budget provision has been made by the State Government despite balances in such Reserve Funds and Deposits as on 1 April 2016 as detailed below:

**Table No. 2 : Interest against Reserve Fund and deposits bearing interest**

(₹ in crore)

<b>Sector</b>	<b>Sub-sector</b>	<b>Minimum rate of interest estimated</b>	<b>Balance at the beginning of 2016-17</b>	<b>Interest Due</b>
J. Reserve Funds	(a) Reserve Funds Bearing Interest (SDRF)	7.50 <i>per cent</i> (average of Ways and Means interest rate)	0.81	0.06
K. Deposits and Advances	(a) Deposits Bearing Interest –MH 8336 -800 Other Deposits, plus  (b) MH 8342-120 Misc-Deposits	7.50 <i>per cent</i> (average of Ways and Means interest rate)	2.55	0.19
<b>Total Interest</b>				<b>0.25</b>

**(b) Consolidated Sinking Fund (CSF) :**

In terms of the recommendations of Twelfth Finance Commission, the Government of Mizoram constituted a revised Consolidated Sinking Fund (CSF) scheme in 2006-07 for redemption of outstanding liabilities. As per the scheme and in terms of the guidelines of the Reserve Bank of India, States are required to contribute a minimum of 0.50 *per cent* of their outstanding liabilities (Internal Debt+Public Account liabilities) as at the end of the previous year. The Fund is administered by the Reserve Bank of India (RBI) subject to such directions/instructions as the Government may issue from time to time.

In the year 2016-17, against the minimum required contribution of ₹ 32.04 crore (0.50 *per cent* of outstanding liabilities of ₹ 6,407.39 crore as on 31 March 2016), the State Government contributed ₹ 31.30 crore, resulting in short contributions by ₹ 0.74 crore. Total accumulations in the Fund as on 31 March 2017 was ₹ 233.04 crore which has been invested in Government of India Securities.

**(c) Guarantee Redemption Fund (GRF):**

The State Government created a Guarantee Redemption Fund in the year 2009-10. As per the guidelines of the scheme, the government is required to contribute an amount equivalent to at least one fifth of the outstanding invoked guarantees plus an amount of guarantees likely to be invoked as a result of the incremental guarantees issued during the year. It is open to the Government to increase the contributions to the Fund at its discretion. The fund is administered by Reserve Bank of India.

There were no outstanding invoked guarantees in 2016-17. The State Government transferred ₹ 2.00 crore during the year to the Fund. Balance of ₹ 11.50 crore remaining in the fund as on 31 March 2017 has been invested in government securities.

**(d) State Disaster Response Fund (SDRF):**

Government of India replaced the existing Calamity Relief Fund in 2010-11 with the State Disaster Response Fund (SDRF) as recommended by the Thirteenth Finance Commission. Under the guidelines of the Fund, the Centre, and Special Category States like Mizoram are required to contribute to the Fund in the proportion of 90:10.

As on 1 April 2016, the fund had a balance of ₹ 0.81 crore. During 2016-17, the Central Government released an amount of ₹ 16.20 crore towards State Disaster Response Fund (SDRF). The State Government transferred an amount of ₹ 10.15 crore to the Public Account, which is less than the Central contribution and State share (Central share ₹ 16.20 crore and State share ₹ 1.80 crore) resulting in less transfer of ₹ 7.85 crore. During 2016-17, the State Government had withdrawn ₹ 15.75 crore from the Fund and kept the amount in bank account. Consequently, it was not possible to assess the extent to which the withdrawn amounts had actually been spent on natural calamities.

**(vi) Improper accounting of transactions relating to the Central Road Fund (CRF) :**

The accounting procedure relating to the Central Road Fund prescribes that the receipt of the grant from Government of India is first recorded under the Revenue Receipt Major head 1601 and thereafter transferred to the Fund (under Public Account Major Head 8449 – Other deposits-103 subvention from Central Road Fund), by operating the Revenue Expenditure Major Head 3054 in the same year of receipt. This is in keeping with the principle that Grants-in-aid are to be recorded in the Revenue section irrespective of purpose (Capital or Revenue), and also ensures that the Revenue Surplus of the State Government is not unduly inflated because of the grant. Further, expenditure on prescribed road works is first to be accounted for under the relevant Revenue or Capital Expenditure section and is to be reimbursed out of the Fund as a deduct expenditure to the concerned Revenue or Capital Major Head (3054 or 5054 as the case may be).

Government of India released ₹15.84 crore from Central Road Fund to the State Government in 2016-17. However, due to non-availability of budget provision under Head of Account-3054-80-797-transfer to Deposit Accounts, no amount was transferred to the Public Account. Since the amount has not been routed through Public Account, there is no assurance of the utilisation of the grant of ₹15.84 crore.

**(vii) Suspense and Remittance Balance:**

The Finance Accounts reflect the net balances under Suspense and Remittance Heads as detailed in Statement 21 of Finance Accounts (Volume II). The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads. Clearance of suspense and remittance items depends on the details furnished by the State Treasuries/ Works and Forest Divisions/ PAOs etc. Details of outstanding Suspense balances of last 3 years are given in **Annexure E**.

**(viii) Rush of Expenditure:**

In terms of Rule 56 (3) of General Financial Rules 2005, rush of expenditure particularly in the closing month of the financial year shall be regarded as breach of financial regularity and should be avoided. State Government Departments, however, withdrew ₹ 2,147.71 crore in March 2017 and ₹ 261.73 crore on the last working day of March 2017 i.e. 30.07 per cent and 3.66 per cent respectively of

total expenditure ₹ 7,141.75 crore (Revenue and Capital). Treasury-wise details of significant transactions are given in **Annexure F**.

**(ix) Restructuring of Centrally Sponsored and Central Plan Schemes:**

As per the recommendation of the Sub-Group of Chief Ministers on rationalisation of Centrally Sponsored Schemes (CSSs), the existing 66 CSSs have now been restructured into 28 CSSs. From 1 April 2014 onwards Government of India released Central Assistance for CSS/ACA Flagship Schemes directly to the State Government and these releases are now classified as ‘Central Assistance to the State Plan’. Government of Mizoram, however, has continued with the budget depiction of earlier years and not in terms of the restructured pattern. Out of ₹ 1,738.56 crore depicted in the Public Financial Management System (PFMS) portal of Controller General of Accounts (CGA) as Central Assistance to the Government of Mizoram in 2016-17, Clearance memos from Reserve Bank of India, CAS, Nagpur and supporting sanction orders from the respective Ministries were received in respect of ₹ 1,434.26 crore and appropriately booked in the accounts of the State Government under Major Head 1601 Grants-in-aid from Central Government. Since the State Government continued to depict the plan expenditure in terms of the existing classification pattern, it was not possible to track the detail of expenditure on the 28 CSSs which was incurred from amounts released by the Government of India.

**(x) Direct transfer of Central Scheme Funds to Implementing Agencies in the State (Funds routed outside the State Budget):**

Till 31 March 2014, Government of India transferred substantial funds directly to State Implementing Agencies/Non-Government Organizations (NGOs) for implementation of various schemes/programmes. As per the Public Financial Management System (PFMS) portal of the Controller General of India (CGA), Government of India released ₹ 290.53 crore to the State implementing agencies during 2016-17. Details are at Appendix VI in Vol. II.

**(xi) Compliance to the Fiscal Responsibility and Budget Management Act.:**

As per the recommendations of the Fourteenth Finance Commission, the State Governments are required to amend their Fiscal Responsibility and Budget Management (FRBM) Acts. Government of Mizoram has not amended their Act in term of recommendations of Fourteenth Finance Commission. However, in the Fiscal Policy Strategy statement laid before the Mizoram Legislative Assembly on 17 March 2016 as required under Section 6(6) of the Mizoram FRBM Act, 2006, the fiscal target set by Fourteenth Finance Commission have been recognised but Government of Mizoram had not fixed any target for Revenue Surplus, Fiscal Deficit and Outstanding debt for 2016-17. The State Government’s performance as reflected in the accounts during the year 2016-17, is given below:

**Table No. 3 : The State Government's performance as reflected in the accounts during the year 2016-17**

Sl. No.	Targets	Achievements during 2016-17 as per the accounts
1.	No target for Revenue Surplus has been fixed for 2016-17.	The Government of Mizoram had a Revenue Surplus of ₹ 1,167.96 crore in 2016-17.
2.	No target for Fiscal Deficit to the <i>per cent</i> of GSDP[*] has been fixed for 2016-17.	The State had a Fiscal Surplus of ₹ 251.95 crore for 2016-17 as per the accounts, which was 1.66 <i>per cent</i> of GSDP[*].
3.	Outstanding debt target to the percentage of GSDP[*] has not been fixed for 2016-17.	The outstanding debt for 2016-17 (₹ 6,725.02 crore) was 44.21 <i>per cent</i> of GSDP[*].

[\*] *GSDP (Gross State Domestic Product) estimate for 2016-17 was ₹ 15,211.93 crore as per the Directorate of Economic and Statistics, Government of Mizoram as on 29 May 2017.*
