**Certificate of the Comptroller and Auditor General of India on
Finance Accounts**

This compilation containing the Finance Accounts of the Government of Gujarat for the year ending 31 March 2020 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume-I contains the consolidated position of the state finances and Volume- II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Gujarat and the statements received from the Reserve Bank of India. Statements No. 7(3), 8, 9, 18(2), 19 and 20, explanatory notes to Statements No.18 and 20 and Appendices No. IV, V(A), IX, XI and XII in this compilation have been prepared directly from the information received from the Government of Gujarat who is responsible for ensuring the correctness of such information. Appendix VI has been prepared from the details collected from the Public Financial Management System portal of the Controller General of Accounts.

The treasuries, offices, and/or departments functioning under the control of the Government of Gujarat are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (A&E). The Audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit-II) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

(iv)

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Gujarat for the year 2019-2020.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Gujarat being presented separately for the year ended 31 March 2020.

Guide to the Finance Accounts

A. Broad overview of the structure of Government accounts

1. The Finance Accounts of the State of Gujarat present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Loans). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants-in-Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into eight sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Grants-in-Aid and Contributions', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: Contingency Fund: This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Gujarat for 2019-20 is ₹ 200 crore.

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

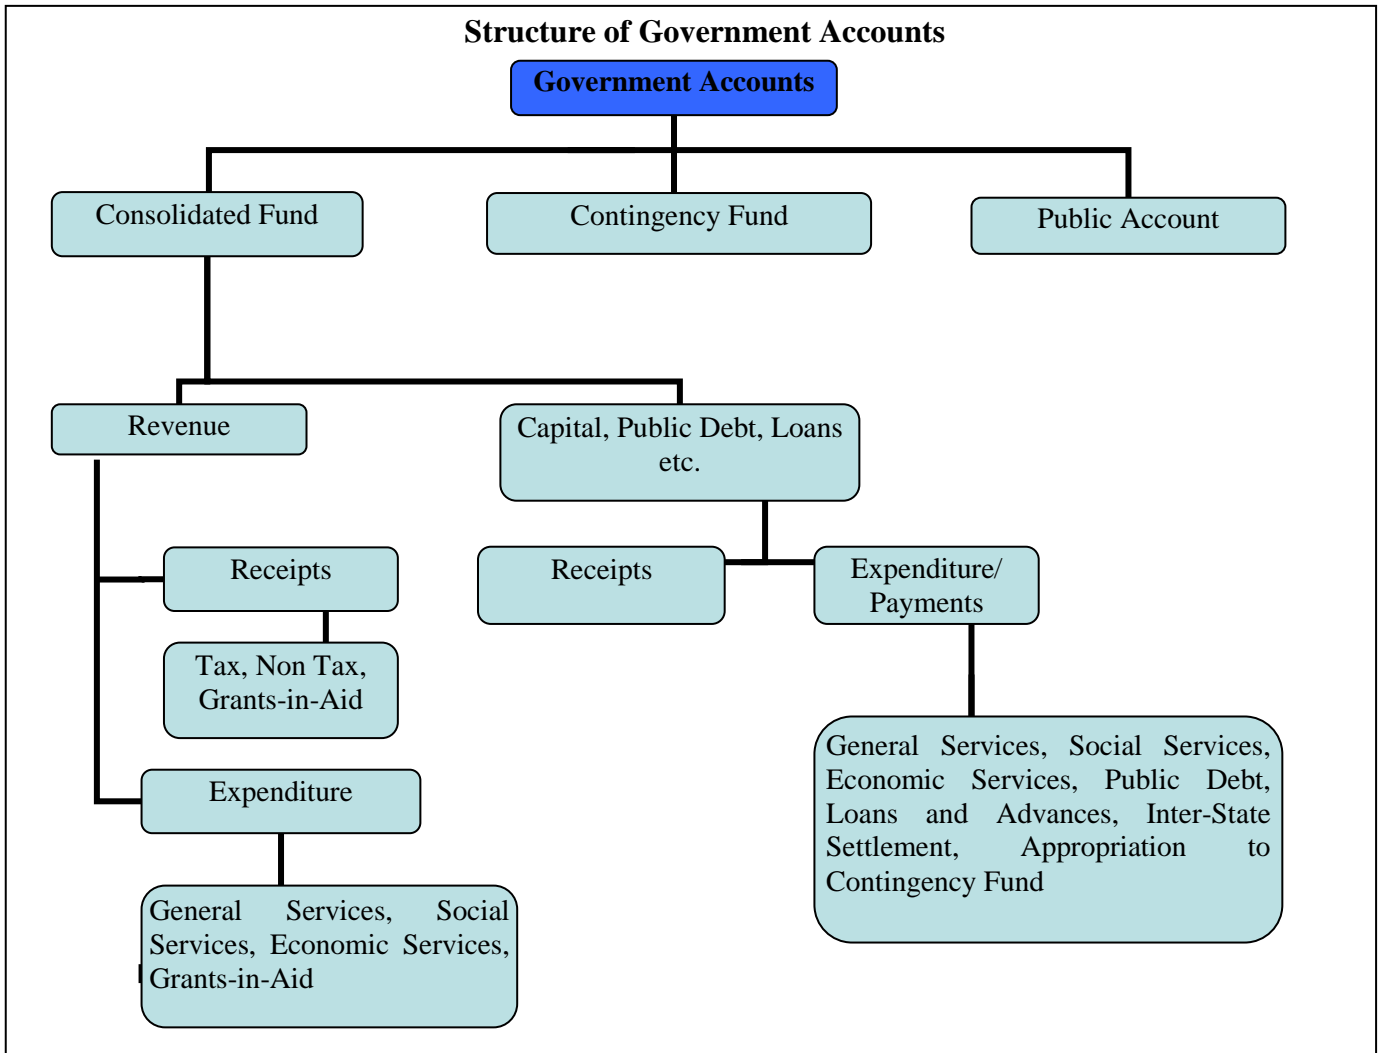

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected up to March 2020) :

0005 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Loans)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions up to the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

D. Periodical adjustments and Book adjustments:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to Revenue Receipt. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

(x)

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., Calamity Relief Fund, Reserve Funds, Sinking Fund, etc.

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund GPF and State Government Group Insurance Scheme where interest on GPF is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-General Provident Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075-Miscellaneous General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

E. Rounding: Difference of ₹ 0.01 lakh/crore, wherever occurring is due to rounding.

The balance under the head 'Deposits with Reserve Bank of India' depicts the combined balance of the consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

Overall Cash		31 March	31 March
		2020	2019

(vii) Investments out of Earmarked Funds and Deposits	1,36,72.56	1,27,04.60
	TOTAL	2,40,35.80	1,96,00.53

(b) Daily Cash Balance:

Under the agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 2.80 crore with the Bank. If the balance falls below the above agreed minimum on any day, the deficiency is made good by taking Special and Ordinary Ways and Means advances/Overdrafts from time to time.

For arriving at the daily cash balance for the [2] purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/ Over Draft.

[1] The balance under the head "Deposits with Reserve Bank" is arrived at after taking in to account the Inter Government monetary settlements pertaining to transactions of the Financial Year 2019-2020 advised to RBI till 10 April 2020.

[2] The cash balance (Deposit with RBI) above is the closing cash balance of the year on 31 March but worked out by April and not simply the daily balance on 31 March.

(a) There was a difference of ₹ 4.58 crore (credit) in Cash Balance of Reserve Bank of India between the figure furnished by RBI Nagpur ₹ 10.71 crore (Credit) and MCA figure ₹ 15.29 crore (credit) as on 31 March 2020, The difference is under reconciliation.

It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government, as it does not take into account all the physical assets of the State, such as land, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

NOTES TO ACCOUNTS

1. Summary of significant accounting policies

(i) Entity and Accounting Period

These accounts present the transactions of the Government of Gujarat for the period 01 April 2019 to 31 March 2020, and have been compiled based on the initial accounts rendered by 33 District Treasuries, 158 Public Works Divisions, 70 Forest Divisions, compiled accounts of Pay and Accounts Offices at Gandhinagar and Ahmedabad and advices of the Reserve Bank of India. The accounts have been compiled from the vouchers, initial and subsidiary accounts rendered by the treasuries and other account rendering units and there are no cases of pendency in the receipt of accounts.

(ii) Basis of Accounting

With the exception of some book adjustments (**Annexure-A**), the accounts represent the actual cash receipts and disbursements during the accounting period. Physical assets and financial assets such as investments, etc., are shown at historical cost, i.e. the value in the year of acquisition/ purchase. Physical assets are not depreciated or amortized. The losses of physical assets at the end of their life are also not expensed or recognized.

The liability of the Government towards payment of retirement benefits of its employees recruited prior to 31 March 2005 is not included in the accounts. However, the retirement benefits disbursed during the accounting period have been reflected in the Accounts in Statement No.15 – Detailed Statement of Revenue Expenditure by Minor Heads.

(iii) Currency in which Accounts are kept

The accounts of the Government of Gujarat are maintained in Indian Rupees (₹).

(iv) Form of Accounts

Under Article 150 of the Constitution of India, the accounts of the Union and of the States are kept in such form as prescribed by the President, on the advice of the Comptroller and Auditor General. The word "form" used in Article 150 has a comprehensive meaning to include the prescription not only of the broad form in which the accounts are to be kept, but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) Classification between Revenue and Capital

Revenue Expenditure is recurring in nature and is intended to be met from Revenue Receipts. Capital Expenditure is expenditure incurred with the objective of creating / acquiring / increasing concrete assets of a material and permanent character or reducing permanent liabilities. In terms of the Indian Government Accounting Standards (IGAS) 2, Grants-in-aid are to be classified as Revenue Expenditure regardless of their end utilization and are to be recorded as Revenue Expenditure in the books of the grantor and as Revenue Receipts in the books of the recipient.

During 2019-20, Government of Gujarat incorrectly budgeted for and booked an expenditure of ₹ 4.83 crore of Grants-in-aid and under the Capital section, instead of the Revenue section. Details are given in **Annexure-B**. However, State Government has taken initiatives for correct classification of expenditure in future.

2. Quality of Accounts

(i) Goods and Services Tax

Goods and Services Tax (GST) was implemented w.e.f. 01 July 2017. According to GST (Compensation to the States) Act 2017, Central Government will compensate the States for loss of Revenue arising on account of implementation of GST for a period of five years.

During the year 2019-20, the State's GST collection was ₹ 34,106.67 crore as compared to ₹ 34,888.70 crore in 2018-19, registering a decrease of ₹ 782.03 crore (2.24 *per cent*). This included Advance Apportionment of IGST amounting to ₹ 644.01 crore. In addition, the State received ₹ 5,741.16 crore and ₹ nil as its share of net proceeds assigned to the State under Central Goods and Services Tax and Integrated Goods and Services Tax respectively as per the recommendations of Fourteenth Finance Commissions. The total receipts under GST were ₹ 39,847.83 crore. The State received compensation of ₹ 8,978.52 crore (excluding ₹ 1,668.00 crore pertaining to previous years compensation received during 2019-20) on account of loss of revenue arising out of implementation of GST during 2019-20.

(ii) Booking under Minor Head 800 - 'Other Receipts' and 'Other Expenditure'

Minor Head 800-Other Receipts / Other Expenditure is to be operated either due to non-availability of a specific head of account or due to incorrect identification of receipts/ expenditure under the available heads of account at the budget preparation stage. Routine operation of Minor Head 800 is to be discouraged, since it renders the accounts opaque. During 2019-20, the State Government booked ₹ 14,494.32 crore constituting 7.85 *per cent* of the total expenditure (₹ 1,84,563.00 crore) relating to 63 Revenue and Capital Major Heads,

under Minor Head '800- Other Expenditure'. Similarly, the Government also booked ₹ 8,191.47 crore, constituting 4.39 percent of the total receipts (₹ 1,86,771.11 crore) under Minor Head '800- Other Receipts' in respect of 56 Major Heads. Details of significant booking (more than 10 per cent) under Minor Head 800- Other Receipts and Other Expenditure are given in **Annexure-C** and **D** respectively.

(iii) Reconciliation of Receipts and Expenditure

In terms of the Gujarat Budget Manual, Controlling Officers are required to reconcile the Receipts and Expenditure of the Government with the figures accounted for by the Office of the Accountant General (A&E). Such reconciliation has been completed in 2019-20 in respect of 77 out of 80 Controlling Officers for receipts of ₹ 1,69,904.16 crore (90.97. per cent of total receipts of ₹ 1,86,771.11 crore) and for expenditure in respect of the 518 out of 527 Controlling Officers for an expenditure of ₹ 1,69,442.23 crore (91.81 per cent of total expenditure of ₹ 1,84,563.00 crore).

Only one cyber treasury is working at Gandhinagar in Gujarat State. The receipt figure of cyber treasury is included in the figure of Gandhinagar treasury. Almost all departments had carried out reconciliation of their receipt figures with the figures booked with this office including Gandhinagar treasury. Only 02 departments i.e. Land Revenue department ((Major Head - 0029) & other general Economy services (Major Head-1475), whose receipt is routed through cyber treasury in Gandhinagar, have not carried out the reconciliation. This matter has been taken up with the Finance department and even with the concerned department.

(iv) Cash balances

The Cash Balance of the year 2019-20 as worked out by the Office of The Accountant General (A&E) was ₹ 15.29 crore and as reported by Reserve Bank of India, was ₹ 10.71 crore. The un-reconciled Cash balance difference for the year 2019-20 is ₹ 4.58 crore.

The Cash Balance difference between RBI and Accountant General (A&E) for the last five years (from 2014-15 to 2018-19) is shown below:-

(₹ in crore)

Year	RBI figures		AG figures		Difference
2014-15	202.49	Dr	389.00	Dr	186.51
2015-16	414.84	Dr	598.63	Dr	183.79
2016-17	285.55	Dr	471.82	Dr	186.27
2017-18	176.31	Dr	359.53	Dr	183.22
2018-19	178.09	Cr	0.12	Cr	177.97

Penal Interest claim amounting to ₹ 0.73 crore was credited to State account during the year 2019-20.

(v) Abstract Contingent (AC) Bills

As per the provisions of Gujarat Treasury Rules 2000, Drawing and Disbursing Officers/Controlling Officers are authorized to draw money in advance for emergent purposes by preparing Abstract Contingent (AC) bills by debiting Service Heads. They are required to submit Detailed Contingent (DC) bills containing supporting vouchers of final expenditure to the Office of the Accountant General (A&E) within three months from the drawal of the AC bills. As of 31 March 2020, **4,567** DC bills for ₹ **366.03** crore were not received by the Office of the Accountant General, as detailed below:

Year	Abstracts Contingent Bills drawn		Detailed Contingent Bills received		Outstanding Abstracts Contingent Bills	
	No. of Bills	Amount	No. of Bills	Amount	No. of Bills	Amount
Up to March 2017-2018	220543	6486.45	218587	6402.72	1956	83.73
2018-2019	10505	689.68	10232	651.53	273	38.15
2019-2020	6584	833.05	4246	588.9	2338	244.15
Total	237632	8009.18	233065	7643.15	4567	366.03

Out of ₹ 833.05 crore drawn on 6584 AC Bills in 2019-20, 877 AC Bills (13.32 per cent) involving ₹ 44.38 crore (05.32 per cent) were drawn in March 2020 alone, and of these, 26 AC bills amounting to ₹ 0.57 crore were drawn on the last day of the financial year.

Significant expenditure against AC bills in March indicates that the drawal was primarily to exhaust the budget and reveals inadequate budgetary control. Prolonged non-submission of DC bills results in lack of transparency in expenditure incurred through drawal of AC bills and the expenditure shown in the Finance Accounts cannot be vouched as correct to that extent.

Statement showing the major defaulting Departments who had substantial outstanding amount unadjusted, as on 31 March 2020 is given below:

(₹ in crore)

Sl.No	Name of department	Outstanding Items	Outstanding amount	Percentage to total amount
1	Women and Child Development Department	27	149.48	40.83
2	Education Department	1567	32.20	8.79

(vi) Personal Deposit (PD) Accounts

A Personal Deposit Account is intended to facilitate the administrator to credit receipts into and effect withdrawals directly from the treasury account for a specific purpose. Every Personal Deposit account so authorised to be opened will form part of the Government Account and be located in the Public Account portion. The purpose of PD/PLA accounts is to enable the Drawing Officers to credit and refund the deposit on behalf of State as well as to incur expenditure pertaining to a scheme, for which funds are placed at their disposal, by transfer from the Consolidated Fund of the State. As per Rule 377 of the Gujarat Treasury Rules, 2000 the Personal Deposit Accounts which are credited by debit to the Consolidated Fund of the State, should be closed at the end of the financial year by minus debit of balance to the relevant Service Heads in the Consolidated Fund, the Personal Deposit Account being opened next year again, if necessary in the usual manner. The status of PD accounts as of 31 March 2020 is given below:

(₹ in crore)

Opening Balance		Addition during the year		Closed during the year		Closing Balance	
Number	Amount	Number	Amount	Number	Amount	Number	Amount
484	581.01	17	1808.37	36	1593.97	465	795.41
