

## PREFACE

The accounts of Government Companies set up under the provisions of the Companies Act (including Companies deemed to be Government Companies as per the provisions of the Companies Act) are audited by the Comptroller and Auditor General of India (CAG) under the provisions of Section 619 of the Companies Act, 1956. The accounts certified by the Statutory Auditors (Chartered Accountants) appointed by the CAG under the Companies Act are subject to supplementary audit by officers of the CAG and the CAG gives his comments or supplements the report of the Statutory Auditors. The Companies Act, 1956 empowers the CAG to issue directions to the Statutory Auditors on the manner in which the Company's accounts shall be audited.

2. The statutes governing some Corporations and authorities require their accounts to be audited by the CAG and reports to be given by him. In respect of five such Corporations *viz.* Airports Authority of India, National Highways Authority of India, Inland Waterways Authority of India, Food Corporation of India and Damodar Valley Corporation, the relevant statutes designate the CAG as their sole auditor. In respect of one Corporation *viz.* Central Warehousing Corporation, the CAG has the right to conduct a supplementary or test audit after audit has been conducted by the Chartered Accountants appointed under the statutes governing the Corporation.

3. Reports in relation to the accounts of a Government Company or Corporation are submitted to the Government by the CAG under the provisions of Section 19-A of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, as amended in 1984.

4. The Audit Board mechanism was restructured during 2006-07 under the supervision and control of the CAG. The Board, which is permanent in nature, is chaired by the Deputy Comptroller and Auditor General (Commercial) and consists of senior officers of the CAG. Two technical experts are inducted as special invitees, if necessary. The Director General (Commercial) of the CAG's Office is the Member, Secretary to the Board. The Board approves the topics recommended for performance audit. It also approves the guidelines, audit objectives, criteria and methodology for conducting performance audits. The Board finalises the stand alone performance audit reports after discussions with the representatives of the Ministry and Management.

5. Annual reports on the accounts of the Central Government Companies and Corporations are issued by the CAG to the Government. For the year 2009-10, these are:

### **Compliance Audit Reports**

**Report No. 2- Financial Reporting by Central Public Sector Undertakings (CPSUs):** This gives an overall picture of the quality of financial reporting by CPSUs and appraisal of the performance of the Companies and Corporations as revealed by their accounts.

**New Initiative:** The CAG has introduced more intensified, innovative, focused and result oriented approach to financial audit by the system of 'Three Phase Audit' in selected Central Public Sector Undertakings falling under categories of 'Listed', 'Navratna', 'Miniratna' and 'Statutory Corporations' for the financial statements of 2008-09 on

consensus basis after discussion on the objectives and methodology of new audit approach with the management and statutory auditor concerned. Same initiative has been extended to other important companies in 2009-10 also. The outcome of this initiative has been included in the above Report No. 2.

6. The Acts governing Reserve Bank of India, Export-Import Bank of India, National Bank for Agricultural and Rural Development and National Housing Bank contain provisions whereby the Central Government can appoint the CAG, at any time, as the auditor to examine and report upon the accounts of these Corporations. No such appointment was made during 2009-10.

7. The accounts of the Central Public Sector Undertakings reviewed in this Report cover the accounts for the years, 2007-08 ,2008-09 and 2009-10 (to the extent received). In respect of CPSUs where any particular year's accounts were not received before 30 September 2009, the figures of the last audited accounts have been adopted.

8. In respect of some CPSUs, figures for the previous year might not agree with the corresponding figures shown in the Audit Report No. 2 of 2009-10, owing to replacement of provisional figures by audited/revised figures.

9. Impact of revision of accounts as well as significant comments issued as a result of supplementary audit of the financial statements of Central Government Companies conducted by the CAG for the year 2009-10 (or earlier years as are finalised during the current year), and significant findings reported by the Statutory Auditors while certifying the financial statements of the CPSUs are given in this Report. The report also contains the impact of comments issued by the CAG on the financial statements of the Statutory Corporations where CAG is the sole auditor. Besides, a resume of the reports submitted by the Statutory Auditors in compliance with the directions issued to them by the CAG under Section 619(3) (a) of the Companies Act, 1956, is also given in this Report.

10. The Report also enumerates composition and functioning of the Audit Committee in the listed government companies.

11. All references to 'Government Companies/Corporations or CPSUs' in this report may be construed to refer to 'Central Government Companies/Corporations' unless the context suggests otherwise.

## **EXECUTIVE SUMMARY**

### **I. Financial performance of Central Public Sector Undertakings**

As on 31 March 2010, there were 451 Central Government Public Sector Undertakings (CPSUs) under the audit jurisdiction of the Comptroller and Auditor General of India. These included 329 government companies, 116 deemed government companies and six statutory corporations. This Report deals with 404 PSUs comprising 302 government companies, 96 deemed government companies and six statutory corporations. Forty seven companies are not covered in this report. Out of them, accounts of seven PSUs were in arrears for three years or more, two PSUs had not submitted their first accounts, 35 PSUs were defunct/under liquidation and accounts of three PSUs were not due.

**[Para 1.1.4]**

#### **Government Investments**

The accounts of 404 PSUs (352 for current year and 52 for earlier years) indicated that the Government of India had invested ₹ 1,73,057 crore directly in the equity capital of 308 government companies and corporations and ₹ 143 crore in four deemed government companies. Loans amounting to ₹ 60,174 crore had also been received by the PSUs directly from the Government of India as on 31 March 2010. Compared to the previous year, investment in equity of PSUs, including deemed government companies, by the Government of India registered a net increase of ₹ 11,478 crore and loans given to them increased by ₹ 350 crore.

**[Paras 1.2.1, 1.2.2 and 1.2.3]**

#### **Market Capitalisation**

The market value of shares of 42 listed government companies as per prices prevailing in stock markets on 31 March 2010 stood at ₹ 14,31,135 crore. Market value of shares held by the Government of India in 37 companies stood at ₹ 11,55,267 crore as on 31 March 2010. Market value of shares held by government companies in five subsidiaries stood at ₹ 16,055 crore as on 31 March 2010

**[Para 1.2.4]**

#### **Return on Investment**

Out of the 308 government companies and corporations where data has been analysed in this Report, 189 government companies and corporations earned profits during the year and 98 government companies suffered losses excluding Food Corporation of India, Inland Waterways Authority of India and National Highways Authority of India. These three statutory corporations prepare accounts on no profit/no loss basis. While shortfall of income over expenditure in respect of Food Corporation of India and Inland Waterways Authority of India is shown as receivable from Government of India, National Highways Authority of India capitalised the amount of excess of expenditure over income during 2009-10. The remaining 18 companies were not in operation. The total profit earned by 189 government companies and corporations was ₹ 1,05,906 crore of which, as much as 66 *per cent* (₹ 69,445 crore) was contributed by 36 government companies and

corporations under three sectors viz., Petroleum and Natural Gas, Power and Coal and Lignite.

**[Paras 1.3 and 1.4]**

Out of the 189 government companies and corporations which earned profit, 118 government companies and corporations declared dividend for the year 2009-10 amounting to ₹ 33,804 crore. Out of this, ₹ 23,169 crore were paid/payable to the Government of India. The dividend paid to Government of India represented 13.39 *per cent* return on the total investment by the Government of India (i.e., ₹ 1,73,057 crore) in all government companies and corporations.

**[Para 1.3.2]**

Government companies under the Ministry of Petroleum and Natural Gas, operating partially under the administered/ regulated prices, contributed ₹ 13,852 crore representing 41 *per cent* of the total dividend declared by all government companies.

**[Para 1.3.2.4]**

Non compliance with government's directive in the declaration of dividend by 37 companies resulted in a shortfall of ₹ 1,672 crore in the payment of dividend for the year 2009-10.

**[Para 1.3.2.5]**

#### **Net Worth/Accumulated Loss**

Out of 308 government companies and corporations, the equity investment in 68 companies had been completely eroded by their accumulated losses. As a result, the aggregate net worth of these companies had become negative to the extent of ₹ 72,798 crore as on 31 March 2010. The accumulated losses in these 68 government companies increased by ₹ 2,370 crore, from ₹ 84,949 crore in 2008-09 to ₹ 87,319 crore in 2009-10. Due to the negative net worth, recovery of the loans given by the Government to 34 companies out of 68, amounting to ₹ 29,904 crore was doubtful.

**[Paras 1.4.1 and 1.4.2]**

## **II. CAG's oversight role**

Out of 451 CPSUs including six statutory corporations, annual accounts for the year 2009-10 were received from 352 PSUs including five statutory corporations and 89 deemed government companies. Of these, accounts of 249 PSUs including five statutory corporations were reviewed in audit.

**[Paras 2.3.2, 2.3.3 and 2.6.2]**

In order to enhance the quality of financial reporting, the CAG introduced the system of Three Phase Audit in 114 CPSUs in 2009-10 on consensus basis. This has led to a significant improvement in the quality of their financial statements. The net impact of Three Phase Audit on the profitability was ₹ 2,273 crore and on assets/liabilities was ₹ 11,471 crore.

**[Paras 2.5 and 2.6]**

### **Revision of Accounts**

As a result of supplementary audit by the CAG, three companies (including one listed company) revised their accounts for the year 2009-10. The impact of the revision on the profitability of these companies was to the extent of ₹ 93 crore. In addition the statutory auditors of one listed company and seven unlisted companies (including one deemed government company) revised their reports at the instance of supplementary audit by the CAG.

*[Paras 2.6.2.1 and 2.6.2.2]*

### **Impact of CAG's comments on the accounts**

Comments issued by the CAG as a result of supplementary audit brought out overstatement of profit by ₹ 193 crore in six companies.

Similarly, there was understatement of loss by ₹ 64 crore in five companies and profit by ₹ 144 crore in one company.

*[Paras 2.6.3.2 and 2.6.3.3]*

In the case of statutory corporations where CAG is the sole auditor, the impact of audit observations on the accounts of two corporations was overstatement of profit by ₹ 3 crore and assets by ₹ 516 crore and understatement of liabilities by ₹ 355 crore.

*[Para 2.6.3.4]*

### **Departures from Accounting Standards**

Deviations from the provisions of Accounting Standards in preparation of the financial statements were noticed in 31 companies by the statutory auditors. CAG also pointed out such deviations in another two companies.

*[Para 2.7]*

### **Observations of statutory auditors**

The statutory auditors appointed by the CAG made significant qualifications in their reports in respect of one statutory corporation and 49 companies (including eight deemed government companies) of which 12 were listed companies.

*[Paras 2.9.1, 2.9.2 and 2.9.3]*

In compliance with the directions issued by the CAG under Section 619(3)(a) of the Companies Act, 1956, the statutory auditors reported deficiencies relating to financial controls and procedures including lack of internal control measures in respect of fixed assets, debtors, inventory and internal audit in various companies (including deemed government companies).

*[Paras 2.9.4 and 2.10]*

### **III. Corporate Governance watch**

In 17 listed government companies, the Board of Directors did not have required number of independent directors.

**[Para 3.5.1]**

The composition of the Audit Committees in three listed companies was not as per Clause 49 of the Listing Agreement. The Audit Committee of these companies were not chaired by the independent directors.

**[Para 3.6]**

The Chairman of the Audit committees of four companies did not attend Annual General Meeting of the respective companies. Further, there was no system of preparation of Annual Report on the working of Audit Committee in seven companies and providing training to the members of Audit Committee in ten companies.

**[Paras 3.9, 3.11 and 3.13]**

**CHAPTER I**  
**FINANCIAL PERFORMANCE OF CENTRAL PUBLIC SECTOR UNDERTAKINGS**

## **1.1 Introduction**

This Report presents the financial performance of the Central Public Sector Undertakings (CPSUs). The term CPSU, encompasses the government owned companies/deemed government companies set up under Company's Act, 1956 as also other undertakings of the government set up under the statutes of the Parliament, where the audit is entrusted to Comptroller and Auditor General of India (CAG). This Report is important because CPSUs contributed approximately to one-third of the Gross Domestic Product in India in 2009-10.

### **1.1.1 Mandate**

Audit of government companies (including deemed government companies) is conducted by the Comptroller and Auditor General of India (CAG) under the provisions of Section 619 of the Companies Act, 1956 read with Section 19 of the CAG's (Duties, Powers and Conditions of Service) Act, 1971 and the Regulations made thereunder. The CAG is empowered to audit certain corporations established under individual statutes. Under the Companies Act, 1956, the CAG appoints the Chartered Accountants (Statutory Auditors) as Auditors for companies and gives directions on the manner in which the accounts are to be audited, besides undertaking supplementary audit.

### **1.1.2 What does this Report contain**

This Report brings out the overall picture of the quality of financial reporting by the CPSUs and appraisal of the performance of companies and corporations as revealed in their accounts that are under CAG's audit mandate. It is brought out in three chapters viz. Chapter 1 dealing with financial analysis of the CPSUs, Chapter 2 on CAG's oversight role on audit of the CPSUs and Chapter 3 on Corporate Governance in listed government companies.

### **1.1.3 Definition of PSUs**

The terms used in describing the organization whose financial performance is covered in this Report, are given in the **Appendix I**.

### **1.1.4 Coverage in this Report**

Category wise companies at the beginning of 1 April 2009, companies added and closed during the year, number of companies as at the end of 31 March 2010 are given in the table below.

**Table 1**

<b>Description</b>	<b>Government Company</b>	<b>Deemed Government. Company</b>	<b>Statutory Corporation</b>	<b>Total</b>
No. of PSUs at the beginning of 1 April 2009	324	108	6	438

1.2.2.5 The number of PSUs having the debt equity ratio of more than 2, increased from 68 PSUs during 2007-08 to 73 PSUs during 2009-10, indicating increase in borrowings by the PSUs.

### **1.2.3 Investment in deemed government companies**

The capital invested by the central government, state governments and by companies and corporations controlled by them in 96 deemed government companies were as follows.

Graph 2 – Composition of Share Capital in deemed government companies

As of 31 March 2010, equity of ₹ 14,723 crore in 96 deemed government companies (Graph 2) was contributed by the Government of India (₹ 143 crore in four companies), state governments (₹ 475 crore in six companies), central government companies and corporations (₹ 6,658 crore in 34 companies), state government companies and corporations (₹ 817 crore in 14 companies), financial institutions and banks (₹ 4,805 crore in 65 companies) and others (₹ 1,825 crore in 39 companies). The equity in these companies increased by ₹ 3,647 crore, i.e. from ₹ 11,076 crore in 2008-09 to ₹ 14,723 crore in 2009-10. The details are available in **Appendix V**.

#### **1.2.4 Market capitalisation of equity investment in government companies**

Market capitalisation is measurement of size of a business enterprise equal to the market value of the shares outstanding of a publicly traded company. It is the share price multiplied by the number of shares in issue, providing a total value for the company's shares and for the company as whole. Shares of 52 government companies were listed on the various stock exchanges in India consisting of 42 government companies, five subsidiaries of government companies and five deemed government companies.

1.2.4.1 In respect of 37 listed government companies, the shares of which were traded<sup>a</sup> during 2009-10, the total market value of their equity shares as on 31 March 2010 stood at ₹14,10,977 crore, out of which, the market value of shares held by the Government of India amounted to ₹ 11,55,267 crore as on 31 March 2010.

1.2.4.2. The total market value of shares in 35<sup>□</sup> companies had increased by ₹ 5,39,686 crore (66.95 per cent) as on 31 March 2010 as compared to 31 March 2009. The details are indicated in **Appendix VI-A**. During this period, BSE Sensex increased from 9708.50 (as on 31.03.2009) to 17527.77 (as on 31.03.2010), an increase of 80.54 per cent.

1.2.4.3. The total market value of shares of five subsidiary government companies, the shares of which were traded during 2009-10, stood at ₹ 20,158 crore as on 31 March 2010. The total market value of shares held by government companies in four subsidiary government\* companies had increased by ₹ 10,623 crore as on 31 March 2010 as compared to 31 March 2009. The details are indicated in **Appendix VI-B**. Further analysis revealed following :

**Oil sector:** There were eight government companies, including two subsidiaries (Chennai Petroleum Corporation Limited and Mangalore Refineries and Petrochemicals Limited), in oil sector and 34 companies, including three subsidiaries (Hindustan Fluro Carbons, Balmer Lawrie Company Limited, Maharashtra Elektrosmelt Limited) in non-oil sector whose shares were listed. In respect of the eight oil sector government

<sup>a</sup> Shares of Hindustan Cables Limited, Hindustan Photofilms (Manufacturing) Company Limited, IRCON International Limited, India Tourism Development Corporation Limited and KIOCL Limited were not traded during 2009-10.

<sup>□</sup> Shares of Oil India Limited and NHPC Limited were listed during September 2009. Hence, comparison not done.

\* Shares of Hindustan Fluorocarbons Limited (subsidiary of Hindustan Organic Chemicals Limited) was listed during September 2009. Hence, comparison not done.

companies, which were traded during 2009-10, the total market value of their equity shares as on 31 March 2010 stood at ₹ 4,33,856 crore as compared to their book value of ₹ 1,98,229 crore. Out of ₹ 4,33,856 crore, the market value of shares held by the government/government companies amounted ₹ 3,12,374 crore as on 31 March 2010. The total market value of shares in seven oil sector companies (excluding Oil India Limited) had increased by ₹ 1,30,921 crore (*47.56 per cent*), i.e. from ₹ 2,75,269 crore as on 31 March 2009 to ₹ 4,06,191 crore as on 31 March 2010. The market value of shares held by Government/government companies in these seven companies had increased by ₹ 92,952 crore, i.e. from ₹ 1,97,723 crore as on 31 March 2009 to ₹ 2,90,675 crore as on 31 March 2010 (*47.01 per cent*).

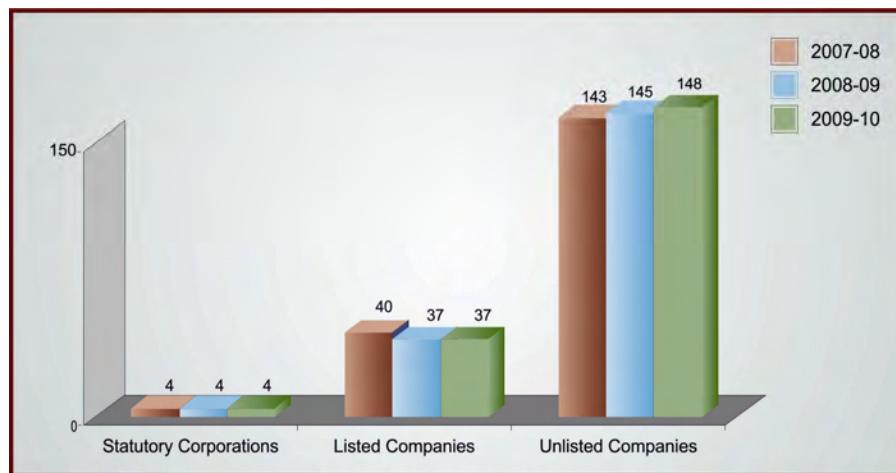

**Non-oil sector:** The market value of equity shares of 34 non-oil sector companies as on 31 March 2010 stood at ₹ 9,97,280 crore as compared to their book value of ₹ 2,29,645 crore. The market value of shares in 32 companies (excluding NHPC Limited and Hindustan Fluorocarbons Limited whose shares traded during September 2009), had increased by ₹ 4,19,387 crore as on 31 March 2010 as compared to 31 March 2009. The market value of shares of 32 non-oil sector companies, held by government/government companies, had increased by ₹ 3,53,707 crore (*74.81 per cent*) over the previous year.

**Price earning ratio:** Price earning (PE) ratio is a valuation of a company's current share price compared to its per-share earnings. Higher PE would indicate the investors expectation in higher growth in future compared to companies with a lower PE. The price earning ratio of GAIL (India) Limited (16.56) in oil sector was highest. The ratio in three companies (Indian Oil Corporation Limited-7.05, Hindustan Petroleum Corporation Limited-8.29, Chennai Petroleum Corporation Limited-7.29) in oil sector was less than the average PE ratio (11.63) of the sector during the year 2009-10, though there was increase in their market capitalisation compared to 2008-09.

### **1.3. Return on investment in government companies and corporations**

Details of return on net worth and capital employed during 2007-08 to 2009-10 in 308 government companies and corporations are given in **Appendix VII**. As can be seen in Graph 3, during the period of three years, the number of government companies and corporations that earned profit marginally increased from 187 in 2007-08 (₹ 97,582 crore) to 189 in 2009-10 (₹ 1,05,906 crore).

Graph 3 – No. of Profit earning statutory corporations, listed and unlisted Government companies

Out of the total profit earned by 189 CPSUs, as much as *66 per cent* (₹ 69,445 crore) was contributed by 36 government companies and corporations in three sectors, viz., Petroleum and Natural Gas, Power and Coal and Lignite. The Petroleum sector contributed about *37 per cent*, while Power and Coal sectors contributed *16 per cent* and *14 per cent* respectively.

### 1.3.1 Profitability analysis of government companies and corporations

Profitability analysis of 308 government companies and corporations indicating profit before interest and tax, capital employed, profit after tax, dividend, net worth, ratio of

profit after tax to net worth, ratio of profit before interest and tax to capital employed and dividend to equity, are given in **Appendix VII**.

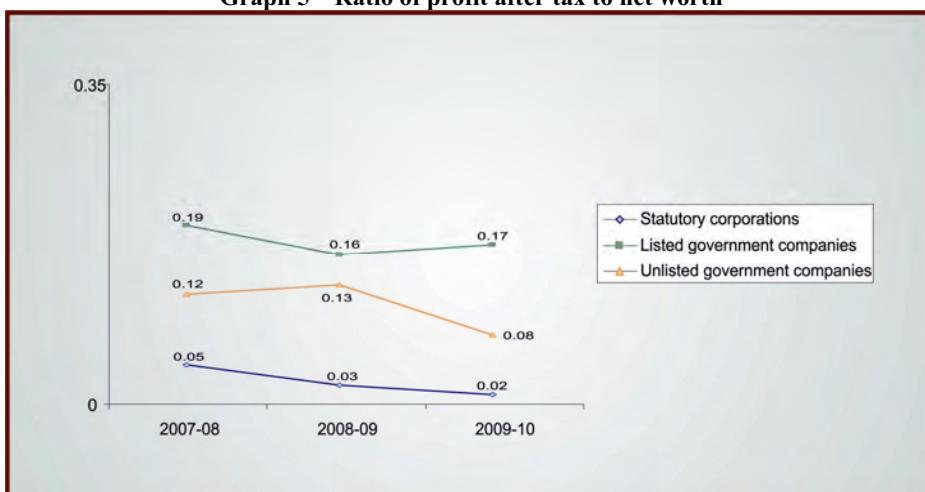

1.3.1.1 Ratio of profit before interest and tax to capital employed and profit after tax to net worth over a period of three years ending 31 March 2010 in respect of all statutory corporations, listed government companies and unlisted government companies are given in the Graphs 4 and 5.

**Graph 4 – Ratio of profit before interest and tax to capital employed**

There was a minor decrease for listed companies which were in any case having a healthy ratio, while unlisted government companies declined significantly. There was a minor increase for statutory corporations.

**Graph 5 – Ratio of profit after tax to net worth**

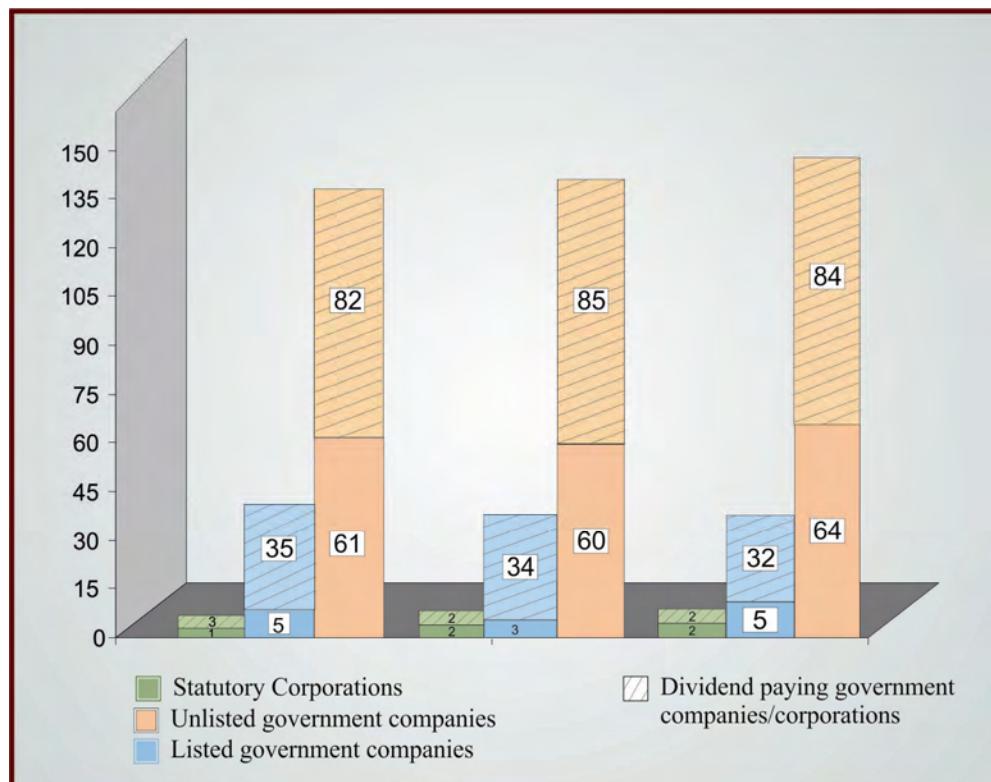

1.3.1.2 There was a significant decline in respect of unlisted government companies while the statutory corporations and listed companies showed minor gains and losses respectively.

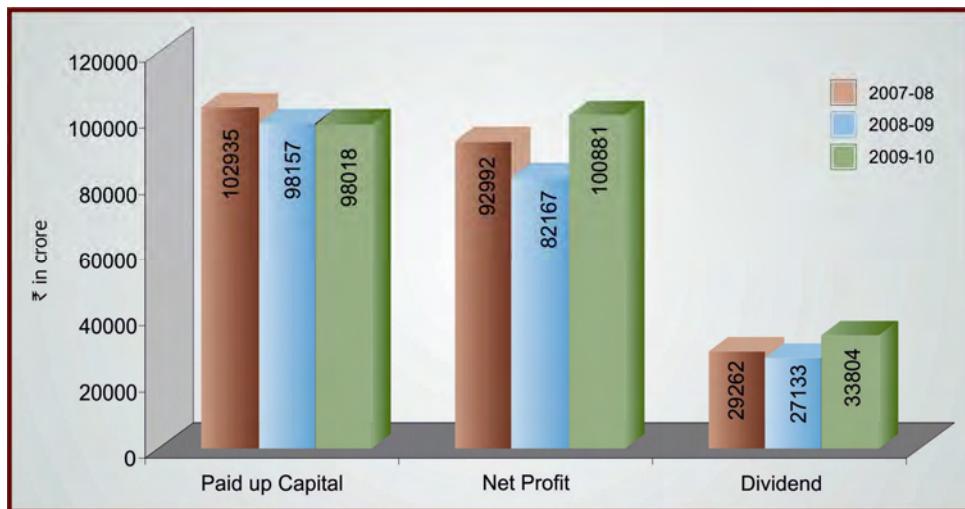

### 1.3.2 Dividend payout of government companies and corporations

The number of government companies and corporations that had declared dividend during the last three years ended 31 March 2010 has been given in **Appendix VIII**. The number of dividend declaring government companies and corporations decreased marginally to 118 (including two statutory corporations and 32 listed government companies) in 2009-10 from 120 (including three statutory corporations and 35 listed government companies) in 2007-08 (**Graph 6**). The dividend declared as a percentage of net profit earned by these companies and corporations marginally increased from 31.47 *per cent* in 2007-08 to 33.51 *per cent* in 2009-10. In absolute terms, the dividend declared by the companies and corporations in 2009-10 increased by ₹ 4,542 crore from ₹ 29,262 crore in 2007-08 to ₹ 33,804 crore in 2009-10 (**Graph 7**). However, 71 government companies and corporations (including two statutory corporations and five listed government companies) which earned an aggregate profit of ₹ 5,026 crore in the current year did not declare any dividend.

**Graph 6 - Number of profit earning/dividend declaring listed and unlisted government companies**

**Graph 7 - Dividend declared by government companies and corporations vis-a-vis net profit and paid up capital**

1.3.2.1 The details of PSUs, which earned profit and declared dividend and PSUs which earned profit but not declared dividend during 2009-10, were as given below:

**Table 8**  
(₹ in crore)

	Total Profit PSUs (nos)	PSUs declared dividend				PSUs not declared dividend		
		No. of PSUs	Paid up capital	Net profit	Dividend declared	No. of PSUs	Paid up capital	Net profit

<sup>#</sup> Includes 27 PSUs which have accumulated loss

1.3.2.2 The dividend payout ratio range during 2009-10 was as under:

**Table 9**

Dividend Payout Percentage	Statutory Corporations		Listed Companies		Unlisted Companies	
	No. of PSUs	Dividend (₹ in crore)	No. of PSUs	Dividend (₹ in crore)	No. of PSUs	Dividend (₹ in crore)

51-100	--	--	5	1,658	11	669
Above 100	--	--	12	14,784	10	4,667

1.3.2.3 Out of total dividend of ₹ 33,804 crore declared by 118 government companies and corporations in the current year, dividend receivable by Government of India amounted to ₹ 23,169 crore\*. The return on aggregate investment of ₹ 81,405 crore made by the Government of India in equity capital of 86 government companies and corporations (including two statutory corporations, 29 listed government companies) was 28.46 *per cent*. Similarly, 34 government companies received ₹ 6,106 crore as dividend on their investment of ₹ 5,914 crore in the equity of various subsidiaries (also government companies) and thus earned a return of 103.25 *per cent*.

1.3.2.4 The 11 government companies under the Ministry of Petroleum and Natural Gas contributed 41 *per cent* (₹ 13,852 crore) of the total dividend (₹ 33,804 crore) declared by various companies in 2009-10.

1.3.2.5 The guidelines issued by the Ministry of Finance in 1995 and 1996 envisaged that all profit-making companies that were essentially commercial enterprises would declare a minimum dividend of 20 *per cent* either on equity or on post-tax profit, whichever was higher. The minimum dividend payable by companies in Oil, Petroleum, Chemical and other infrastructure sectors was 30 *per cent* of post-tax profit. However, 37 companies (including five listed companies and excluding 64 government companies and corporation, which have not declared dividend) under 16 Ministries did not comply with the government directive to pay minimum dividend of 20 *per cent* either on equity or on post-tax profit while declaring dividend, as given in **Appendix IX**. The total shortfall on this account was ₹ 1,672.25 crore in 2009-10.

1.3.2.6 The Ministry had further emphasised that the objective of the government was to achieve minimum return of five *per cent* on overall investment in all government companies and corporations across the board. The return on the total investment of ₹ 1,73,057 crore made by the Government of India in equity of all the government companies and corporations was ₹ 23,169 crore, i.e. 13.39 *per cent*.

### 1.3.3 Return on investment in deemed government companies

Details of return on investment in deemed government companies for the years 2007-08 to 2009-10 are given in **Appendix V**. Of the 96 deemed government companies reviewed in this Report, 64 companies earned profit of ₹ 2,186 crore. Out of these 64 companies, only 26 declared dividend amounting to ₹ 250 crore<sup>†</sup> which represented 9.23 *per cent* of their total paid up capital. Twenty eight companies, including two, out of four in which the Government of India had invested, incurred losses during 2009-10. Remaining four companies had not yet started commercial operations.

1.3.3.1. Dividend of ₹ 250 crore declared by the deemed government companies during 2009-10 came from the companies under Financial Services, Power, Industrial development and Technical consultancy and Steel sectors as indicated below:

---

\* The dividend receivable by Government of India related to 86 companies with direct central government investment. The remaining 32 companies were subsidiaries of other government companies and had no direct investment of the Government of India.

<sup>†</sup> Includes ₹ 1.11 crore receivable by Government of India.

#### 1.4 Loss-making government companies

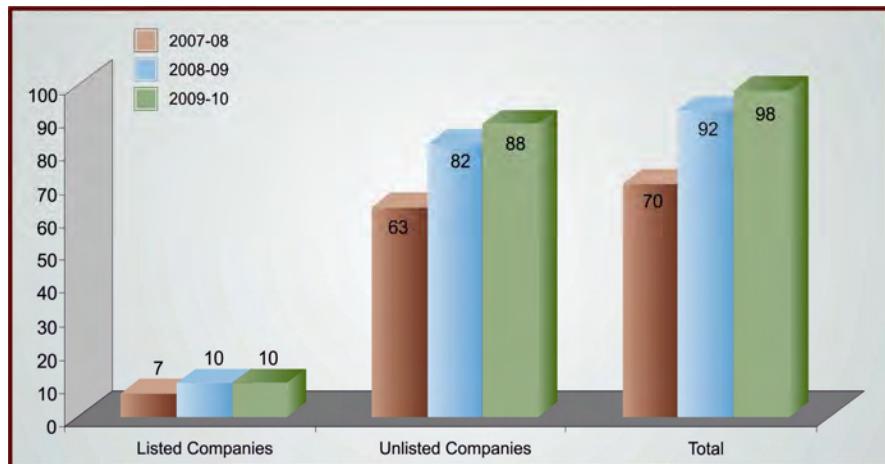

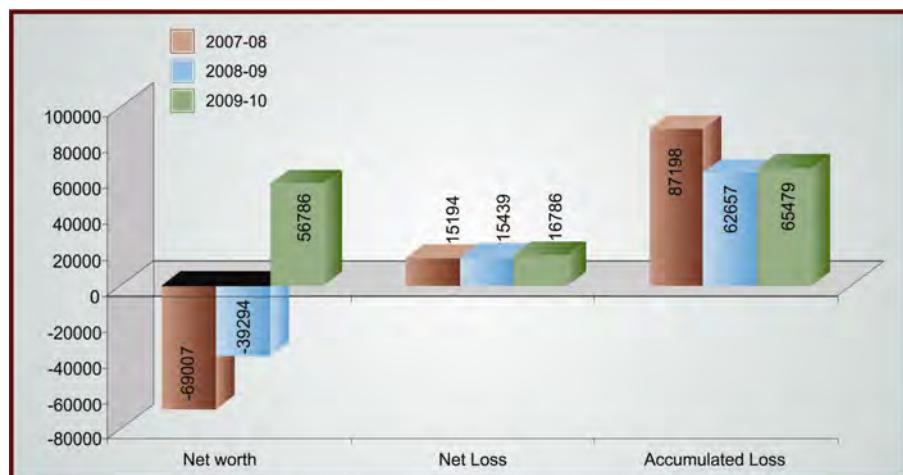

The number of government companies that suffered loss at the close of the last three years ending 31 March 2010 was as given in the following Table and Graphs 8 and 9. Seventeen companies which suffered losses during 2008-09 had earned profit during 2009-10. However, 18 other companies, which earned profit during 2008-09, suffered losses during 2009-10.

**Graph 8 – Number of loss making companies****Graph 9 – Accumulated loss of companies**

Accumulated losses of 98 government companies that suffered loss during 2009-10 decreased by ₹ 21,719 crore (24.90 *per cent*), i.e. from ₹ 87,198 crore in 2007-08 (70 companies) to ₹ 65,479 crore in 2009-10.

#### **1.4.1 Capital erosion in government companies**

As on 31 March 2010, 120 government companies and corporations (including 12 listed companies) had accumulated losses of ₹ 95,777 crore. It included 27 companies (including three listed companies) and one statutory corporation, which earned profit during the current year. Equity capital of 68 government companies (out of 120) had been completely eroded. The accumulated losses in these 68 companies were ₹ 87,319 crore against equity investment of ₹ 14,521 crore as on 31 March 2010 making their combined net worth negative at ₹ 72,798 crore (Graph 10). This included seven listed companies whose accumulated losses were ₹ 15,341 crore against equity investment of ₹ 1,516 crore, making their combined net worth negative at ₹ 13,825 crore.

Graph 10 – Accumulated loss of companies

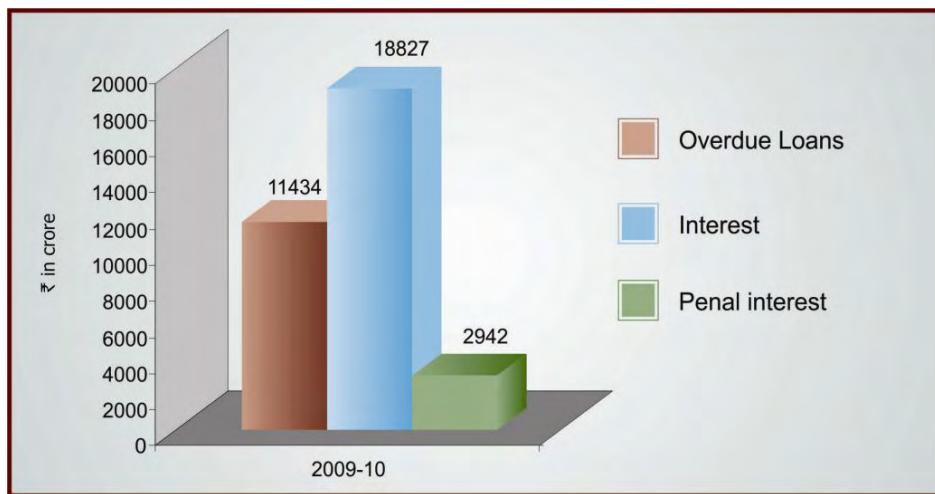

1.4.1.1 Out of 68 companies, whose capital had eroded, 14 companies earned profit during 2009-10.

#### 1.4.2 Government loans to capital eroded companies

Only 34 of these 68 companies, had government loans outstanding as on 31 March 2010 which amounted to ₹ 29,904 crore, including five listed companies (₹ 2,316 crore).

Graph 11 – Accumulated loss of companies

1.4.2.1 The principal amount of government loan remaining unpaid on due date amounted to ₹ 11,434 crore (26 government companies out of 34 above companies) as on 31 March 2010. Interest overdue on these outstanding loans was ₹ 18,827 crore (26 government companies out of 34 above companies) and penal interest leviable for non-payment of loans on due date amounted to ₹ 2,942 crore (14 government companies out of 34 above companies).

1.4.2.2 As the capital of 34 companies was fully eroded as on 31 March 2010, the recovery of loans amounting to ₹ 29,904 crore became doubtful.

#### **1.4.3 PSUs having erosion of net worth**

A Company is treated as potentially sick if 50 percent of its net worth is eroded by accumulated losses. There were 120 companies and corporations with accumulated losses of ₹ 95,777 crore as at the end of March 2010. 68 companies, out of these 120 companies, registered a negative net worth with an accumulated loss of ₹ 87,319 crore (discussed in Para 1.4.1). Out of this, 52 PSUs whose net worth was positive, 20 PSUs had an accumulated loss of ₹ 5,526 crore. As net worth of these 20 PSUs was ₹ 2,526 crore at the end of 31 March 2010, the cumulative loss exceeded one-third of their net worth indicating potential sickness.

1.4.3.1 The following table lists the PSUs wherein the percentage of erosion of net worth was above 33 *per cent*.

**Table 12**

	Name of the Company	Percentage of Erosion of net worth	Profit/ Loss during 2009-10	Networth as on 31 March 2010
		(in per cent)	(₹ in crore)	
1	Central Electronics Limited	38.02	1.29	36.06
2	Indian Vaccines Company Limited	39.77	1.39	14.81
3	Hindustan Salts Limited	50.56	0.03	4.77
4	Sponge Iron India Limited	60.03	-31.62	40.68
5	HMT Limited	72.59	-52.81	697.24
6	Braithwaite and Company Limited	75.23	1.75	18.54

The above PSUs would become sick in a year or two if adequate measures were not taken to improve their performance.

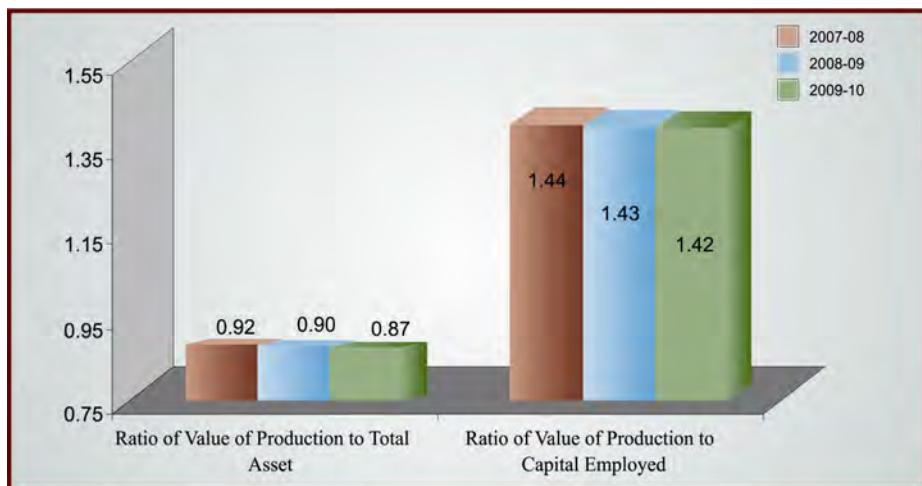

#### **1.5 Operating efficiency of government companies**

The summary graph indicating the ratios of value of production to total assets and capital employed over a period of three years, as given below, indicated decrease of these ratios during 2009-10 over the previous years, though the value of production, total assets and capital employed had increased in absolute terms.

## **CHAPTER: II**

### **CAG's OVERSIGHT ROLE**

#### **2.1 Audit of Public Sector Undertakings**

Under Section 619 of the Companies Act, 1956, the auditor (statutory auditor) of a government company including deemed government company, appointed by the CAG conducts the audit of accounts of the companies. On the basis of supplementary audit conducted thereafter, the CAG issues comments upon or supplements the Audit Report of the statutory auditor.

Statutes governing some corporations require that their accounts be audited by the CAG and a report be given to the Parliament.

#### **2.2 Appointment of statutory auditors of PSUs**

##### **2.2.1 Objectivity in the appointment of statutory auditors**

Statutory auditors for government companies including deemed government companies are appointed by the CAG in exercise of the powers conferred under Section 619(2) of the Companies Act, 1956 as amended vide Companies (Amendment) Act, 2000. For this purpose a panel of firms of Chartered Accountants is maintained by the CAG by inviting applications every year from the eligible firms of Chartered Accountants. The panel so formed is used for selection of statutory auditors of Public Sector Undertakings (PSUs) for the ensuing financial year. The statutory auditors are appointed annually on regular basis.

Selection of the statutory auditors for appointment is made by correlating the point score earned by each firm of Chartered Accountants that applies for empanelment with the size of the audit assignment. The point score is based upon the experience of the firm, number of partners and their association with the firm, number of Chartered Accountant employees, etc., for assessing that the antecedents of the firm are well established and the firm has capacity to handle the allotted audits. This system ensures that allotment of audit to Chartered Accountants firms is done objectively based on merit and competence.

##### **2.2.2. Timely appointment of statutory auditors of PSUs for the year 2009-10**

Under Sections 210 read with Sections 166 and 230 of the Companies Act, 1956, the annual audited accounts of every company for the financial year are to be laid before the shareholders at its Annual General Meeting (AGM) to be held each year. According to Section 224 of the Companies Act, 1956 the statutory auditor holds office from the conclusion of one AGM until the conclusion of the next AGM.

Clause 41 of the Listing Agreement with the Securities and Exchange Board of India (SEBI) provides that all the entities listed with the Stock Exchanges should publish their Quarterly Financial Review (QFR), duly approved by the Board of Directors and after a "limited review" by the statutory auditors of the company. A copy of the Review Report is to be submitted to the Stock Exchange within two months of the close of the quarter. The limited review of the first quarter of a financial year is accordingly to be carried out so that the results can be published by end-August of the year. PSUs have the option of getting the QFR done by any Chartered Accountant other than the statutory auditors of the Company. In addition, a listed Company is required to prepare the half yearly results in the given proforma and the same is to be approved by the Board of Directors and subjected to a "limited review" by the statutory auditors of the Company. A copy of the Review Report is required to be submitted to the Stock Exchange within two months of the close of the half year.

In order to facilitate timely compliance with the provisions mentioned above, statutory auditors for the listed government companies, including deemed government companies were appointed by the CAG for conducting the audit of accounts for the year 2009-10 by July 2009.

### **2.2.3 Independence of statutory auditors of government companies and deemed government companies**

The statutory auditor has a fiduciary duty to provide independent professional opinion on the financial statements of the company he audits. In order to ensure independence of the statutory auditors and to obviate any chances of conflict of interest, Section 226 of the Companies Act, 1956 prohibits the appointment of (i) an officer or employee of the company or their partner or employee, (ii) a person who is indebted to the company and (iii) a person who is the holder of any securities having voting rights, etc., as the auditor of the company. Similarly, the Chartered Accountants Act, 1949 contains provisions to ensure independence of the statutory auditors. Paragraph 10 of the First Schedule of the Chartered Accountants Act, 1949 prohibits acceptance of fees, which are either linked to profits or otherwise dependent on the finding or the results of employment. Further, paragraph 4 of the Second Schedule, Part I, makes it an act of misconduct for a Chartered Accountant to express an opinion on the financial statements of a business in which he or his firm or a partner of his firm has a substantial interest unless disclosure of such interest is made.

In order to ensure the independence of statutory auditors of government companies, the following further safeguards have been provided by the CAG:

**Acceptance of non-audit assignments by the statutory auditors** - In order to maintain the independence of the statutory auditor as well as the quality of audit, partners or relatives (husband, wife, brother, sister or any lineal ascendant or descendant) or

associates\* of the statutory auditors of a government company, are prohibited from undertaking any assignment for internal audit or consultancy or render other services to the government company during the year of audit and for one year after the firm ceases to be the statutory auditor of that company. Acceptance of non-audit assignments that involve performing management functions or making management decisions are also prohibited during the year of audit and for one year after the firm ceases to be the statutory auditor.

**Rotation of audit** – A system of rotation of the statutory auditors of government companies every four years has been adopted as a good practice.

## 2.3 Arrears of accounts of PSUs

### 2.3.1 Need for timely submission

According to Section 619 A of the Companies Act 1956, Annual Report on the working and affairs of a government company, is to be prepared within three months of its AGM and as soon as may be after such preparation laid before both the Houses of Parliament together with a copy of the Audit Report and any comments upon or supplement to the Audit Report, made by the CAG. Almost similar provisions exist in the respective Acts regulating statutory corporations. This mechanism provides the necessary parliamentary control over the utilisation of public funds invested in the companies from the Consolidated Fund of India.

Section 166 of the Companies Act, 1956 requires every company to hold AGM of the shareholders once in every calendar year. It is also stated that not more than 15 months shall elapse between the date of one AGM and that of the next. Further, Section 210 of the Companies Act, 1956 stipulates that the audited Annual Accounts for the period ending with the day, which shall not precede the day of the AGM by more than 6 months, have to be placed in the said AGM for their consideration.

Section 210 (5) and (6) of the Companies Act, 1956 also provides for levy of penalty like fine and imprisonment on the persons including directors of the company responsible for non-compliance with the provisions of Section 210 of the Companies Act, 1956.

The issue of arrears in accounts of central government companies has been consistently reported by CAG in the Audit Reports. The matter was also raised with the Ministry of Corporate Affairs in January 2007 and the administrative ministries which have nominated government directors on the Board of Directors of these Companies. The Ministry of Corporate Affairs in turn instructed the Registrar of Companies to draw the attention of such companies, whose accounts were in arrears, to the provisions of sub-section (5) and sub-section (6) of the Section 210 of Companies Act, 1956 and advised them to complete their accounts at an early date so as to ensure compliance with the provisions of the Companies Act, 1956. The concerned administrative ministries have

---

\* The term ‘associates’ includes (a) other firms of Chartered Accountants in which any employee or partner of the audit firm has an interest and (b) any employee or partner of the audit firm practicing as a Chartered Accountant in his/her individual capacity.

been reminded again for clearance of arrears of accounts in October 2010.

However, no action under sub sections 5 and 6 of section 210 of the Companies Act 1956 against the defaulting persons including directors of the central government companies responsible for non-compliance in this regard has been taken although annual accounts of various PSUs were pending as detailed in the following paragraph.

### **2.3.2. Timeliness in preparation of accounts by government companies and deemed government companies**

As of 31 March 2010, there were 329 government companies and 116 deemed government companies in the purview of CAG's audit. Of these, accounts for the year 2009-10 were due from 329 government companies and 113 deemed government companies. Accounts were not due from three deemed government companies which were new. A total of 258 government companies and 89 deemed government companies submitted their accounts for audit by CAG on or before 30 September 2010. Accounts of 71 government companies and 24 deemed government companies were in arrears for different periods. Details of the arrears in accounts of central government companies were shown in the table below:

**Table 13**

The names of these companies are indicated in **Appendix III**.

The delay in presentation of the accounts for CAG's audit resulted in dilution of Parliamentary Control over management of public money invested in these entities and violation of statutory provisions.

### 2.3.3 Statutory corporations

Audit of six statutory corporations is conducted by the CAG. Of the five statutory corporations in whose case CAG is the sole auditor, four viz. Airports Authority of India, Inland Waterways Authority of India, Damodar Valley Corporation and National Highways Authority of India presented their accounts for the year 2009-10 for audit in time. The accounts of Food Corporation of India for the year 2009-10 were awaited as on 30 September 2010. In case of Central Warehousing Corporation, CAG conducts supplementary audit and the accounts were received in time.

## 2.4 Impact of CAG's oversight - Audit of accounts and supplementary audit

### 2.4.1 Financial reporting framework

Companies are required to prepare the financial statements in the format laid down in Schedule VI to the Companies Act, 1956 and in adherence to the mandatory Accounting Standards prescribed by the central government, in consultation with National Advisory Committee on Accounting Standards. The statutory corporations are required to prepare their accounts in the format prescribed under the rules, framed in consultation with the CAG and any other specific provision relating to accounts in the Act governing such corporations.

### 2.4.2 CAG's oversight - Audit of accounts of government companies

The statutory auditors appointed by the CAG under Section 619(2) of the Companies Act, 1956 conduct audit of accounts of the government companies and submit their report thereon in accordance with Section 619(4) of the Companies Act, 1956. The CAG plays

an oversight role by monitoring the performance of the statutory auditors with the overall objective that the statutory auditors discharge the functions assigned to them properly and effectively. This function is discharged by exercising the power to supplement or comment upon the statutory auditors' report under Section 619(4) of the Companies Act, 1956 and to issue directions to the statutory auditors under Section 619(3) of the Companies Act, 1956. The directions issued by CAG under Section 619(3)(a) are primarily aimed at ensuring compliance with Accounting Standards and evaluating internal controls relating to financial reporting in the auditee organisation.

## **2.5 New Initiative: Three Phase Audit of annual accounts of selected PSUs**

The prime responsibility for preparation of financial statements in accordance with the financial reporting framework prescribed under the Companies Act, 1956 or other relevant Act is of the management of an entity. The statutory auditors appointed by the CAG under section 619(2) of the Companies Act, 1956 are responsible for expressing an opinion on the financial statements under section 227 of the Companies Act, 1956 based on independent audit in accordance with the Auditing and Assurance Standards of ICAI and directions given by the CAG. The statutory auditors are required to submit the Audit Report to the CAG under Section 619(4) of the Companies Act, 1956. The certified accounts of selected government companies along with report of the statutory auditors are reviewed by CAG. Based on such review through supplementary audit, significant audit observations, if any, are reported under Section 619 (4) of the Companies Act, 1956 to be placed before the Annual General Meeting.

As the responsibility of auditor is to help the management in enhancing the quality of financial reporting i.e. readability, reliability and usefulness to different stakeholders, the CAG introduced more intensified, innovative, focused and result oriented approach to financial audit by 'the System of Three Phase Audit'. The Three Phase Audit System was introduced with the following objectives in 79<sup>\*</sup> selected public sector undertakings falling under categories of 'Listed', 'Navratna', 'Miniratna' and 'Statutory Corporations' for the financial statements of 2008-09 on consensus basis after discussion on the objectives and methodology of new audit approach with the management and statutory auditor concerned:

- To establish an effective communication and a coordinated approach amongst the statutory auditors, management and CAG's audit for removal of inconsistencies and doubts relating to the financial statements presented by the PSUs.
- To identify and highlight errors, omissions, non-compliances etc., before the approval of the financial statements by the management of the PSUs and provide an opportunity to the statutory auditors and the managements of the PSUs to examine such issues for taking timely remedial action.
- To reduce the time of CAG's audit after the approval of financial statements by the management of the PSUs.

---

\* *Actually implemented in 59 PSUs.*

Thus, Three Phase Audit brings substantial qualitative transformation in the audit process and methodology by enabling the management of PSUs to rectify the accounts in the light of accepted comments on financial statements.

The new audit approach was appreciated by both management of various PSUs who opted and the statutory auditors concerned. As there was a strong consensus in favour of Three Phase Audit, it was decided to extend the system to 114 PSUs in the financial year 2009-10.

The Phase-I and Phase-II of the new audit approach are extended provisions of Section 619(3) (a) of the Companies Act, 1956. The audit observations under first two phases are treated as preliminary observations and communicated to the statutory auditors as part of sub-directions under Section 619(3) (a) of the Companies Act, 1956. The last phase of audit (Phase-III) is conducted after approval of the financial statements by the management and audit by the statutory auditors which is same as conducted earlier.

## **2.6 Result of CAG's oversight role**

### **2.6.1 Impact of Three Phase Audit**

As a result of Three Phase Audit conducted in 114 PSUs, a number of quantitative as well as qualitative changes were made by the PSUs in their financial statements which led to improvement in the quality of their financial statements. The value addition made by Three Phase Audit of financial statements of 61 PSUs for the year 2009-10 is depicted in the following graph:

#### **2.6.2.2 Revision of Auditors' report**

As a result of supplementary audit of the accounts for the year ended 31 March 2010 conducted by the CAG, the statutory auditors of one listed and seven unlisted government companies (including one deemed government company) revised their report. The significant revision in auditors' report is indicated in the following table:

S.No.	Name of the Company	Nature of Revision
1.	Hindustan Shipyard Limited	Statutory auditors qualified the figure of profit of ₹ 2.32 crore into an overall loss of ₹ 698.11 crore.
2.	HLL Lifecare Limited	Revision by inclusion of (i) disclosure of cash losses not incurred by the Company. (ii) qualification relating to misclassification of Cash and Bank Balances under Other Current Assets
3.	HMT Machine Tools Limited	Revision as a result of overstatement of sales for the year to the extent of ₹ 5.98 crore and understatement of loss for the year by ₹ 0.67 crore.
4.	ITI Limited (Listed Company)	The impact of revision by the statutory auditors in their report resulted in understatement of loss of ₹ 40.06 crore, understatement of current liabilities by ₹ 26.85 crore and overstatement of inventory by ₹ 13.21 crore.
5.	Karnataka Trade Promotion Organisation	Revision with reference to the following: (i) Non provision of liability towards luxury tax and interest thereon demanded by the Assistant Commissioner of Commercial Taxes for the financial years 2005-06 to 2007-08 amounting to ₹ 2.14 crore which would have effect on the assets and liabilities of the company. (ii) Non-provision and quantification of liability towards luxury tax along with interest thereon payable to Commercial Taxes Department presently not demanded by the Department for the financial year 2008-09 which would have effect on the assets and liabilities of the company. (iii) Understatement of prior period expense to the tune of ₹ 5 lakh by recognizing a prior period income of ₹ 5 lakh without obtaining confirmation from ITPO which will have effect on the profitability and also on the assets and liabilities of the company.
6.	Kumarakruppa Frontier Hotels Private Limited (2007-08)	The annual accounts had been re-approved by the Board of Directors on 25.06.2010 on the basis of audit observation as there was difference in figures of financial statements approved by the Board of Directors (BODs) and financial statements signed by the Directors on behalf on the BODs and audited and reported thereon by the statutory auditors. Accordingly the statutory auditors revised their Report.

7.	NABARD Financial Services Limited (Deemed Government Company)	Revision was made to auditors report, exhibiting the “cash flow statement of the cash flows for the year ending 31.3.2010.”
8.	Sethusamudram Corporation Limited	Revision for inclusion of disclosure on Cash Flow Statement.

### **2.6.3 Comments of the CAG issued as supplement to the statutory auditors' reports on government Companies**

Subsequent to the audit of the financial statements for the year 2009-10 by statutory auditors, the CAG conducted supplementary audit and the significant comments issued on accounts of government companies are as detailed below:

#### **2.6.3.1 Listed companies**

##### **Comments on Disclosure**

Name of the Company	Comment
HMT Limited and HMT Watches Limited	<p>The government of India (GOI) released a plan assistance of ₹ 2 crore to HMT Limited in March 2007 for its subsidiary company viz., HMT Watches Limited for meeting capital expenditure towards establishing an Ion Plating Plant by the latter. Fifty <i>per cent</i> of the assistance was in the form of equity and balance fifty <i>per cent</i> in the form of loan. Accordingly, the Company allotted 10, 00,000 equity shares of ₹ 10 each valuing ₹ 1 crore to the GOI on 10 April 2007 and passed on the financial assistance to HMT Watches Limited.</p> <p>As HMT Watches Limited could not utilise the funds for the purpose for which it was sanctioned, the GOI ordered (December 2009) refund of the entire unutilized financial assistance of ₹ 2 crore. The Company refunded (February 2010) the loan of ₹ 1 Crore to GOI on behalf of HMT Watches Limited by raising a debit against the latter. As refund of balance amount of ₹ 1 crore towards equity share capital will result in reduction of paid up share capital of the Company, a clarification as to the procedure for reduction of share capital was sought by it from GOI in January 2010; reply of GOI was awaited.</p>
Mahanagar Telephone Nigam Limited and Bharat Sanchar Nigam Limited	<p>As per Notes to the accounts of Mahanagar Telephone Nigam Limited (MTNL), the amount recoverable from and the amount payable to Bharat Sanchar Nigam Limited (BSNL) was shown as ₹ 2,031.83 crore and ₹ 451.72 crore respectively, resulting in net recoverable amount of ₹ 1,580.11 crore from BSNL. However, as per</p>

	<p>approved accounts of BSNL for the year 2009-10, the amount recoverable from and the amount payable to MTNL was ₹ 3,062.72 crore and ₹ 981.73 crore, respectively, resulting in a net recoverable amount of ₹ 2,080.99 crore from Mahanagar Telephone Nigam Limited. Thus, there was a net difference of ₹ 3661.10 crore in the receivable/payable amount between these two government companies.</p> <p>The matter of there being a huge difference in the receivable/payable amounts between MTNL and BSNL falling under the same Ministry was brought to the notice of Management, vide CAG's comments on the accounts of MTNL, for the year ended 31st March 2005 and 31st March 2006 respectively and through a 'Management letter' on the accounts for the year 2008-09. However no action had been taken by the Management so far to reconcile the difference.</p>

##### Comments on Profitability

Name of the Company	Comment
Bengal Chemicals & Pharmaceuticals Limited (2007-2008)	Loss was understated by ₹ 5.70 crore due to incorrect credit of interest on short term deposit on government of India fund received as revival package under "Extraordinary Income" instead of "Current Liabilities".
Bharat Pumps & Compressors Limited	<p>(i) Short provision of ₹ 33.66 crore on account of arrears of wage revision with effect from 1 January 1997 resulted in overstatement of profit.</p> <p>(ii) Miscellaneous expenditure to the extent not written off/adjusted amounting to ₹ 1.19 crore represented the balance of the payment towards termination benefits to employees separated under Voluntary Retirement Scheme treated as deferred revenue expenditure and carried forward to accounting period 2010-11. This resulted in overstatement of profit by ₹ 1.19 crore</p>
Brahmaputra Valley Fertilizer Corporation Limited	<p>(i) Loss was understated by ₹ 34.67 crore due to write back of interest on government of India's loan, without its approval.</p> <p>(ii) Loss was understated by ₹ 1.03 crore due to non-provision for impairment of surplus inventory items as per the valuation report with corresponding overstatement of inventory to the same extent.</p>

Fresh and Healthy Enterprises Limited	The Net Block had been arrived at after charging depreciation on controlled atmosphere store at a rate of 4.75 <i>per cent</i> instead of 5.28 <i>per cent</i> . This resulted in understatement of depreciation and overstatement of net block of fixed assets by ₹ 0.62 crore. The accumulated loss of the company was also understated to the same extent.
Hindustan Steelworks Construction Limited	<p>Loss of the Company was understated by ₹ 17.78 crore due to:</p> <ul style="list-style-type: none"> <li>(i) Non-provision of ₹ 9.79 crore against debtors as the claim of the Company was not accepted by Steel Authority of India Limited.</li> <li>(ii) Non-provision of liability of ₹ 7.99 crore towards estate dues (quarter rent, electricity and water charges, hospital charges, etc.) claimed by Steel Authority of India Limited for availing the above facilities by the employees of the Company.</li> </ul>
Indian Drugs and Pharmaceuticals Limited (2008-09)	Provisions did not include ₹ 4.88 crore being interest on principal amount payable to CISF at Rishikesh Plant as demanded by CISF. This resulted in understatement of loss and liability by ₹ 4.88 crore.
Indian Renewable Energy Development Agency Limited	Provision for bad and doubtful debts included ₹ 149.30 crore towards provision in respect of sub-standard, doubtful and loss of assets which were recovered by 31 March 2010. Retention of excess provision resulted in overstatement of provision for bad and doubtful debts and understatement of profit by ₹ 149.30 crore.
National Scheduled Tribes Finance and Development Corporation	Provisions for employees did not include ₹ 0.36 crore in respect of Performance Related Pay for three financial years from 2007-08. This resulted in understatement of provisions for the employees and overstatement of excess of income over expenditure to the extent of ₹ 0.36 crore.
ONGC Videsh Limited	Provision and write offs were overstated due to non-reversal of provision of ₹ 141.47 crore made upto 31 March 2009 and an additional provision of ₹ 2.59 crore made during 2009-10 for commercial proved oil reserves at Farsi Block at Iran. This resulted in overstatement of Provisions and write offs and understatement of Profit to the extent of ₹ 144.06 crore.

Indian Drugs and Pharmaceuticals Limited (2008-09)	In respect of the Grant-in-Aid received in March 1990/March 1991 from Government of India, Ministry of Science & Technology, Department of Bio-Technology (DBT) for R&D Projects, the Company was required to

	maintain a separate Bank Account for Grants, and unspent balance was to be surrendered to the Government. Any carry forward of the funds was to be with the specific approval of the National Biotechnology Board. Further Interest earned on the same was to be reported to the DBT and adjusted towards further installments to the Grants or to be refunded at the end of the project. However the Company neither refunded the unspent balance nor kept it in a separate bank account as on 31 March 2009.

##### Comment on Profitability

Name of the Company	Comment
Petronet India Limited	Expenditure was understated by ₹ 0.18 crore due to non-provision of a claim made by Bharat Petroleum Corporation Limited in respect of bonus to their staff deputed to Petronet India Limited. This resulted in corresponding understatement of Current Liabilities and Provisions and Loss for the year by the same amount.
Petronet MHB Limited	The Company had worked out extra shift depreciation based on 365 working days instead of actual number of 329 working days during the year 2009-10 and had also not considered any depreciation for 36 days on which the plant remained closed. This resulted in understatement of depreciation for the year and overstatement of net block of fixed assets by ₹ 6 crore.
The Orissa Minerals Development Company Limited	(i) Profit of the company was understated by ₹ 1.48 crore due to non-accountal of accrued interest on short-term fixed deposit at bank.  (ii) Non-amortization of lease amount (Net Present Value) deposited with Divisional Forest Officer/Keonjhar resulted in over statement of profit as well as over statement of Loans and Advances to the tune of ₹ 3.63 crore.

### **2.7 Departures from Accounting Standards**

In exercise of the powers conferred by clause (a) of sub-section (1) of section 642 of the Companies Act, 1956 (1 of 1956), read with sub-section (3C) of Section 211 and sub-section (1) of Section 210A of the said Act, the Central Government, in consultation with National Advisory Committee on Accounting Standards prescribed Accounting Standards 1 to 7 and 9 to 29 as recommended by the Institute of Chartered Accountants of India.

The statutory auditor reported that 31 companies as detailed in **Appendix XI** departed from mandatory Accounting Standards. However, during course of supplementary audit, the CAG observed that the following companies had also not complied with the mandatory Accounting Standards which were not reported by their statutory auditors:

Accounting Standard		Name of the Company	Deviation
AS-3	Cash Flow Statement	North Eastern Regional Agricultural Marketing Corporation Limited	The Company did not prepare and attach the cash flow statement with the accounts.
AS-28	Impairment of Assets	Hindustan Photo Films Manufacturing Company Limited (Listed Company)	The Company failed to comply with the requirements of Accounting Standard 28. The impact of impairment could not be ascertained.

### **2.8 Management Letters**

One of the objectives of financial audit is to establish communication on audit matters arising from the audit of financial statements between the auditor and those charged with the responsibility of governance of the corporate entity. The material observations on the financial statements of PSUs were reported as comments by the CAG under Section 619(4) of the Companies Act, 1956. The impact of such material comments has been

given in the preceding paragraphs. Besides these comments, irregularities or deficiencies observed by CAG in the financial reports or in the reporting process, were also communicated to the management through a ‘Management Letter’ for taking corrective action. These deficiencies generally related to application and interpretation of accounting policies and practices, adjustments arising out of audit that could have a significant effect on the financial statements and inadequate or non disclosure of certain information on which management of the concerned PSU gave assurances that corrective action would be taken in the subsequent year. During the year CAG issued ‘Management Letter’ to 75 companies.

#### **2.9.4 Observations reported by the statutory auditors in compliance with directions issued by the CAG under Section 619(3) (a) of the Companies Act, 1956.**

The significant observations made by statutory auditors in their supplementary reports that reflect the quality of accounts and systems of accounting of the companies are reproduced below:

##### **2.9.4.1 Deficiencies in accounting policies and practices**

###### **Andaman Fisheries Limited**

- ❖ There was no system in place for timely lodging of claims with the outside parties.
- ❖ The company did not have an efficient system for monitoring and adjusting advances to contractor/ suppliers.

###### **Andaman & Nicobar Islands Integrated Development Corporation Limited**

- ❖ The company did not maintain any cost accounts.

###### **Braithwaite and Company Limited**

- ❖ The company did not have an efficient system for monitoring and adjusting advances to contractors/ suppliers.

###### **Cement Corporation of India Limited**

- ❖ The company has not prescribed the minimum and maximum level of stores and spares and Economic Order Quantity for procurement of stores.
- ❖ There was no system of identifying the non- moving, slow moving and surplus stock at year end therefore no provision is created in this regard in the books of accounts.

### **Eastern Coalfields Limited**

- ❖ There was no system of prescribing maximum, minimum limit and Economic Order Quantity for management of stores. Adequate monitoring is required for reconciliation between bin card with physical stock and stores ledger. The company did not adopt ABC analysis to control the inventory.

### **Tyre Corporation of India Limited**

- ❖ The company had no clear credit policy, policy for providing doubtful debts, write offs and liquidated damages.

#### **2.9.4.2 Business risk**

### **National Seeds Corporation Limited**

- ❖ The company was dependent on the subsidy from the government. The production and distribution subsidy claimed on purchases and sales made during the financial year amounted to ₹ 58.04 crore and ₹109.72 crore respectively. Profit before tax of ₹ 79.84 crore during financial year 2009-10 was not even half of the total revenue subsidy claimed from government. The company had already taken unsecured short term loan of ₹ 85 crore from different banks pending realization of the amount due from government and other debtors which had resulted in interest burden of ₹ 3.57 crore during the financial year 2009-10 compared to ₹ 66.50 lakh during 2008-09. The company had also taken total debt funds to the tune of ₹ 93.6 crore without concentrating on the realization from debtors which can probably impact the short term as well as long term solvency of the company. The delay in realization from debtors can impact the profitability of the company due to increased interest burden. Any change in the government policy regarding subsidy would affect the pricing competitiveness of the company and can reasonably be expected to impair the financial stability and profitability of entity.

#### **2.9.4.3 System of accounts and financial control**

### **Andaman & Nicobar Islands Forest & Plantation Development Corporation Limited**

- ❖ Loan obtained from the Ministry of Environment for ₹ 69.83 crore as principal remained outstanding on which interest of ₹ 30.96 crore and penal interest of ₹ 4.22 crore were also accumulated.

### **Antrix Corporation Limited**

- ❖ The Company does not have a system of monitoring and adjusting advances to contracts/suppliers.

- ❖ Abnormal delays were noticed in settling issues viz., performance guarantee and recovery of liquidated damages. There were instances where performance guarantee had expired although the contractual obligations of the vendors were pending. Test checks revealed that liquidated damage clause was not enforced for supplies beyond the due dates of delivery.

#### **Bharat Sanchar Nigam Limited**

- ❖ The methodology of allocation of overheads to Work in Progress was not being followed uniformly in some circles resulting into irrational booking of the expenditure under capital head.

#### **Broadcast Engineering Consultants India Limited**

- ❖ The delegation of financial powers should be redefined keeping in view the nature and size of operation of the company.
- ❖ The system of recording, procurement and disposal of stores needs to be strengthened.
- ❖ The balances appearing under Debtors, Creditors, Loans, Advances and Securities are subject to confirmation.
- ❖ The company needs to intensify its system of recovery of dues specially relating to debts outstanding for more than 6 months.
- ❖ The internal control system needed to be strengthened with regard to purchase and consumption of stores.

#### **Coal India Limited**

- ❖ Though there is a system of monitoring recovery of dues, the same was not implemented as a result an amount of ₹ 10.72 crore was outstanding for long.
- ❖ The company enjoys cash credit limit of ₹ 550 crore with banks but the same remained under utilized resulting in additional cost burden by way of commitment charges

#### **Eastern Coalfields Limited**

- ❖ The efforts for recovery of dues from public sector units needed more vigorous persuasion. The advances made to various parties as well as the large credit balances in customers' accounts remaining unadjusted for a long period needed special attention for recovery and adjustment.

**EDCIL (India) Limited**

- ❖ The system of monitoring and timely recovery of outstanding dues from the debtors needed strengthening.

**Electronics Corporation of India**

- ❖ The company does not have an accounting manual detailing the uniform accounting procedure to be followed for various items of expenditure and income both revenue and capital.

**Hindustan Salts Limited**

- ❖ The system of recovery of advances and debtors; confirmation and reconciliation of balances in respect of various old outstanding debtors and creditors, needed to be strengthened.

**Housing & Urban Development Corporation Limited**

- ❖ The Financial Accounting module and Loan Accounting module based on Oracle were yet to be integrated.

**KIOCL Limited (Listed Company)**

- ❖ Norms for transit losses in respect of Coke and Iron Ore were not fixed.

**Mahanagar Telephone Nigam Limited (Listed Company)**

- ❖ Loss on account of unusable instruments was not ascertained and provided for.

**Maharashtra Elektrosmelt Limited (Listed Company)**

- ❖ There is no defined policy for making provision for old doubtful debts and loans and advances.

**National Handicapped Finance & Development Corporation Limited**

- ❖ The loan register and the general ledgers were not reconciled till date.
- ❖ The accounts of the Corporation continue to be maintained manually although parallel run software “TALLY” is in vogue, resulting in duplication of efforts.

**National Seeds Corporation Limited**

- ❖ Inspite of having a system of monitoring the recovery, huge amount were outstanding for a period exceeding three years.

**National Small Industries Corporation Limited**

- ❖ Policy regarding provisions for doubtful debts and advances needed to be examined. The exact quantum of doubtful debts and advances could not be quantified exactly.

**North Eastern Handicrafts and Handlooms Development Corporation Limited**

- ❖ Interest of ₹ 38.19 crore was not provided for in the books of accounts.
- ❖ Internal control for accounting system was not proper.

**Northern Coalfields Limited**

- ❖ The Management had not fixed maximum and minimum limits of stores and spares or determined Economic Order Quantity for procurement of Stores etc.
- ❖ Internal control system needs to be strengthened

**Security Printing & Minting Corporation of India Limited**

- ❖ There was no documented mechanism to review trial balance on periodical basis by management. Rectification/Adjustment entries were passed at some units and HO during the course of statutory audit.
- ❖ There was substantial delay in accounting of inward material due to delay in processing of Good Receipt Vouchers.
- ❖ In case of ISP Nashik, although an inventory module was being used, the control over daily stock level, receipts, issues, consumption, wastages and rejections were on manual platform leading to various corrections.
- ❖ At unit level, coordination between accounts and other departments should be improved for periodical review and reconciliation with financial data.
- ❖ Only authorized senior official should be given the power to delete/modify data.
- ❖ In case of IGM Hyderabad, plant and machinery which was not in use for several years with book value of ₹ 24.28 crore was indentified. In case of ISP Nashik, hospital equipments purchased in 2001-02 for ₹ 28 lakh were not put to use ever since its acquisition.
- ❖ In case of ISP Nashik deficiencies in monitoring and adjustment of advances for work/contract awarded to CPWD was reported.

### **The New India Assurance Company Limited**

- ❖ Internal control for reconciliation of reinsurance balances in Reinsurance Department needed to be strengthened.

#### **2.9.4.4 Assets (Including Inventory)**

##### **Bharat Heavy Electricals Limited (Listed Company)**

- ❖ Items valued at ₹. 4.98 crore remained in work- in- progress since long time.
- ❖ Material lying unused for last 3 years valued ₹. 64.88 crore, ₹.16.72 crore, ₹.11.25 crore and ₹.8.21 crore, in Trichy, HEEP, Haridwar, Hyderabad and Jhansi respectively.

##### **Container Corporation of India Limited (Listed Company)**

- ❖ Two items valued at ₹ 6.11 crore (for Road over Bridge at Dadri) and ₹ 92 lakh (for extension of siding at Ankleshwar) were pending in Work in Progress since April' 2007 and February' 2008, respectively.
- ❖ The method of recognizing the obsolete/ unserviceable items needed improvement as stores inventory worth ₹ 2.16 crore was lying unutilized for a period of over 3 years.

##### **Mahanadi Coal Fields Limited**

- ❖ Steps have to be taken for installation of plant and machineries lying for installation for more than 3 years.
- ❖ ABC analysis was not adopted by the company to control the inventory.
- ❖ Physical verification of Civil Capital works in progress and discarded/surveyed off Assets should be carried out by the management at regular interval.

##### **Maharashtra Elektrosmelt Limited (Listed Company)**

- ❖ The capital work in progress included following items of Plant and Machinery lying in factory and not erected/installed/put into use for long time.

Particulars	Amount (₹ in lakh)	Period of pendency
Ferro Alloy Plant	74.89	2005-06
Consultancy charges for various projects	13.78	2007-08
For various projects	265.33	2008-09

## **2.10 Internal control over financial reporting**

Internal control is the process designed and implemented by those charged with governance and management to provide reasonable assurance about the achievement of the entity's objective with regard to reliability of financial reporting, effectiveness and efficiency of operations, compliance with applicable laws and regulations and checking fraud and misappropriation. Internal control measures may vary with the size and complexity of the organisation. Effective and efficient internal control measures ensure that the financial statements prepared give a true and fair view and the degree of reliance that a statutory auditor can place on the financial statements for the purpose of reporting. In accordance with the directions issued by the CAG under Section 619(3) (a) of the Companies Act, 1956, the statutory auditors are required to submit a report on the adequacy or otherwise, of internal control measures followed by the Company and to suggest improvement, if any, in the areas of management, safeguarding and verification of fixed and current assets including debtors, cash and bank balances.

The deficiencies reported by the statutory auditors with regard to non-maintenance of fixed assets register, lack of physical verification of fixed assets, non-fixation of inventory stock holding norms and lack of monitoring the recovery of outstanding dues in the government companies including deemed government companies are given below:

**Table 15**

<b>Sl. No.</b>	<b>Area of Deficiency</b>	<b>Number of companies</b>
1.	Fixed Assets	2
2.	Internal Procedures and Operational Efficiency	12
3.	Debtors	3
4.	Inventory	20
5.	Internal Audit	23

The particulars of the companies indicating lack of internal controls in the above mentioned areas are given in the **Appendix XIII**.

### **CHAPTER III**

#### **CORPORATE GOVERNANCE WATCH**

##### **3.1 Corporate Governance**

Corporate Governance generally refers to practices by which organisations are directed, controlled and held to account. The absence of good governance structure or the non-adherence to the governance principles would increase the risk of public corruption and misuse of entrusted power by the management in public sector.

3.1.1 The CAG of India as the government auditor plays an important role in ensuring effective public sector governance. The significant findings and recommendations as conveyed in the Audit Reports represent critical inputs to good governance that can lead organisations to take prompt and appropriate corrective actions to remedy identified weakness and deficiencies. The principles of accountability, transparency, probity, equity and fairness are reviewed, examined and audit observations thereon are reported by CAG in the various Audit Reports including Reports on the performance of selected critical activities/aspects of Public Sector Undertaking with suitable recommendations.

##### **3.2 Corporate Governance Policy**

The amendments to Sections 217 and 292 of the Companies Act, 1956 (made applicable from December 13, 2000) set the tone for Corporate Governance in the country.

3.2.1 The extant government policy envisages a strong and effective public sector which would be encouraged to enter the capital market. There is also a need for public accountability of public sector management regarding its duties and responsibilities. Good corporate governance practices enhance companies' value and stakeholders' trust resulting in robust development of capital market, the economy and also help in the evolution of a vibrant and constructive shareholders' activism.

##### **3.3 Formation of Audit Committee**

Section 292A of the Companies Act, 1956 requires every public limited company having paid up capital of not less than rupees five crore to constitute an Audit Committee at the Board level. The terms of reference of the Audit Committee include all matters related to financial reporting process, internal control and risk management system of the company, overseeing the audit process and performing other duties and responsibilities as assigned by the Board.

### **3.4 SEBI's Guidelines on Corporate Governance for listed companies**

The Securities and Exchange Board of India (SEBI) by its Circular dated 21 February 2000 directed Stock Exchanges to amend the Listing Agreement between them (i.e., stock exchange) and entities whose securities were listed and to include a new clause 49 in such Listing Agreement. This clause was amended in October 2004 and the revised clause has been made effective from 1 January 2006. Clause 49 of the Listing Agreement among other things specifies that a qualified and independent Audit Committee shall be set up giving the terms of reference.

3.4.1 According to the Clause 49II(D)(4) of Listing Agreement, the Audit Committee is mandated to review the annual financial statements before submission to the Board for approval, with particular reference to matters required to be included in the Director's Responsibility Statement to be included in the Board's report in terms of clause (2AA) of section 217 of the Companies Act, 1956. Thus, the Audit Committee has to oversee company's financial process and disclosure of its financial information etc.

3.4.2 So far as composition of the Board of Directors of listed government companies is concerned, where the Chairman of the Board is a non-executive director, at least one-third of the Board should comprise independent directors and in case he/she is an executive director, at least half of the Board should comprise independent directors.

### **3.5 Independent Directors on the Board of listed government companies**

The Board is the most significant instrument of Corporate Governance. The presence of independent representatives on the Board, capable of challenging the decisions of the management, is widely considered as a means of protecting the interests of shareholders and other stakeholders.

3.5.1 Keeping in view the importance and role of independent directors in the good governance of companies, a review was undertaken in respect of all listed government companies with the objective of assessing the compliance with the provisions of Clause 49 of the Listing Agreement relating to independent directors on the Board. This review was primarily based on the information and documents obtained from the management of the companies concerned. The review of composition of the Board of listed government companies (excluding five deemed government companies covered by Section 619B of the Companies Act, 1956) revealed that the Board did not have the required number of independent directors on the Board of listed government companies given below

<b>Sl. No .</b>	<b>Name of the company</b>
1.	Andrew Yule & Company Limited
2.	Balmer Lawrie Investments Limited (No Independent Director)
3.	BEML Limited
4.	Bharat Electronics Limited

5.	Bharat Heavy Electricals Limited
6.	Bharat Petroleum Corporation Limited.
7.	Chennai petroleum Corporation Limited
8.	Dredging Corporation of India Limited
9.	Hindustan Petroleum Corporation Limited
10.	Indian Oil Corporation Limited
11.	Madras Fertilizers Limited
12.	Mangalore Refinery and Petrochemicals Limited
13.	NTPC Ltd
14.	Power Finance Corporation Limited
15.	Rashtriya Chemicals and Fertilizers Limited
16.	Scooters India Limited (No Independent Director)
17.	Steel Authority of India Limited

Thus, out of 47 listed government companies, the Board of 17 companies had not been constituted as per clause 49 of the Listing Agreement.

### **3.6 Composition and functioning of Audit Committee**

Clause 49II(A)(i) of the Listing Agreement requires that the Audit Committee shall have minimum three directors as members, of which two-thirds of the members shall be independent directors. The requirement of Audit Committee brings into sharp focus the primacy of independent directors in corporate governance and the critical role of financial reporting in meeting the expectations of stakeholders. Further, Clause 49II (A) (iii) of the Listing Agreement stipulates that the Chairman of the Audit Committee shall be an independent director. The non compliance of both the clauses was noticed in following companies.

<b>Sl. No.</b>	<b>Name of the company</b>
1.	Balmer Lawrie Investments Limited
2.	Madras Fertilizers Limited
3.	Scooters India Limited

### **3.7 Meetings of Audit Committee**

Clause 49 II (B) of Listing Agreement requires that the Audit Committee should meet at least four times in a year and not more than four months shall elapse between two meetings. During review, it was noticed that Madras Fertilizers Limited, no Audit Committee meeting was held during 2009-10.

### **3.8 Audit Committee in listed government companies**

Keeping in view the important role of the Audit Committee in good governance of an entity, a review on the functioning of Audit Committee of listed central government companies was conducted to assess effectiveness. During review, it is noticed that some of the Audit Committee of listed Government companies contributed considerably towards improvement in financial reporting, accounting policies, internal control system, analysis of non moving inventories etc and ensured credibility of financial statements. For example, in respect of NTPC Limited, the committee observed that there was widespread variation in elements of cost in various stations. The committee advised that whenever costs were lower, reasons for such lower cost including practices followed be analysed and the possibility of replicating such practices in other projects/stations be explored. The committee suggested mechanisms should be in place for reduction/early settlement of large number of pending arbitration cases.

### **3.9 Chairman's attendance in the Annual General Meeting**

Clause 49II (A)(iv) of Listing Agreement requires that the Chairman of the Audit Committee should be present at Annual General Meeting (AGM) to answer shareholder queries. However, the Chairmen of the Audit Committees of the following companies neither attended nor nominated any other member of the Committee to attend the AGM held during 2009-10:

<b>Sl. No</b>	<b>Name of the company</b>
1.	Hindustan Photofilms (Manufacturing) Company Limited
2.	Hindustan Fluoro Carbons Limited
3.	HMT Limited
4.	Scooters India Limited

### **3.10 Whistle Blower Mechanism**

Clause 49II(D)12 of the Listing Agreement also requires the Audit Committee to review the functioning of the ‘whistle blower mechanism’ in case the same exists in the company. The Listing Agreement contemplates that the company may establish a mechanism for employees to report to the management concerns about unethical behaviour, actual or suspected fraud or violation of the company’s code of conduct or ethics policy. This mechanism could also provide for adequate safeguards against victimisation of employees who avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases. Once established, the existence of the mechanism may be appropriately communicated within the organisation.

3.10.1 As whistle blower mechanism did not exist in the following nine companies, Audit Committee did not get the opportunity to review its functioning:

<b>Sl. No.</b>	<b>Name of the company</b>
1.	Andrew Yule & Company Limited
2.	Bharat Electronics Limited
3.	Container Corporation of India Limited
4.	Hindustan Photofilms (Manufacturing) Company Limited
5.	ITI Limited
6.	KIOCL Limited
7.	National Mineral Development Corporation of India Limited
8.	NHPC Limited
9.	The Fertilizer and Chemicals Travancore Limited

### **3.11 System of preparation of Annual Report on the working of the Audit Committee**

During review, it was noticed that there was no system of preparation of annual report on the working of Audit Committee in the following companies:

<b>Sl. No.</b>	<b>Name of the company</b>
1.	Balmer Lawrie Investments Ltd
2.	Dredging Corporation of India Limited
3.	Hindustan Petroleum Corporation Limited
4.	ITI Limited
5.	National Mineral Development corporation of India Limited
6.	NHPC Limited
7.	The Fertilizer and Chemicals Travancore Limited

### **3.12 System of review of anti-fraud and anti-corruption policies and procedures**

The term “fraud” refers to an intentional act by one or more individuals among management, those charged with governance, employees, or third parties, involving the use of deception to obtain an unjust or illegal advantage. The responsibility for the prevention and detection of fraud rests with those charged with the governance and management of the entity. Management, with the oversight of those charged with governance, needs to discharge this responsibility through the implementation and continued operation of an adequate system of internal control. As such, Audit Committee should review anti-fraud and anti-corruption policies and procedures of the company to reduce the possibility of fraud. However, in the following three companies, Audit Committee did not review the anti-fraud and anti-corruption policies and procedures:

<b>Sl.No</b>	<b>Name of the company</b>
1.	KIOCL Limited
2.	The Fertilizer and Chemicals Travancore Limited
3.	ITI Limited

3.12.1 According to the management of Neyveli Lignite Corporation, BEML Limited, Dredging Corporation of India Limited and Andrew Yule & Company Limited the review of anti-fraud and anti-corruption policies and procedures was being taken care by their own Vigilance Department which followed the directions of Central Vigilance Commission.

### **3.13 Training and development:**

Clause 49 of the Listing Agreement contemplates that a company may train its Board members in the business model of the company as well as the risk profile of the business parameters of the company, their responsibility as directors and the best ways to discharge them. However, no system of providing training to the members of Audit Committee in the following ten companies was observed during review:

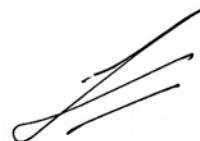

<b>Sl. No.</b>	<b>Name of the company</b>
1.	Andrew Yule & Company Limited
2.	Balmer Lawrie Investments Ltd
3.	BEML Limited
4.	Hindustan Fluoro Carbons Limited
5.	Hindustan Photofilms (Manufacturing) Company Limited
6.	HMT Limited
7.	ITI Limited
8.	NHPC Limited
9.	Scooters India Limited
10.	The Fertilizer and Chemicals Travancore Limited

### **3.14 Conclusion**

3.14.1 Since the power of appointment of director vests with the Government, induction of the requisite number of independent directors on the Board should be ensured in the central government companies.

3.14.2 It is essential that members of Audit Committee should have sufficient training to enable them to keep themselves abreast of all developments relating to operational and financial issues specific to the company and industry and updates of new accounting, auditing and regulatory standards. PSUs should provide required training to the members of Audit Committee to enhance their financial literacy, orient them with the risk profile enabling them to fulfill their fiduciary responsibilities.

3.14.3 To enhance the quality of corporate governance, it is important that the Audit Committee should function strictly according to the stipulations of the Listing Agreements. An annual report highlighting the improvement that took place in the financial reporting, internal control system, internal audit system and overall performance of the company as a result of existence and functioning of the Audit Committee, may be prepared and enclosed with the annual accounts of the company to provide information about the working and effectiveness of the Audit Committee.
